'Deep inside the grotto of my childhood innocence was a rational adult preparing to murder the sentry of youth'. The Moss Wall is a story of a ten year old boy told by his adult self. The boy is victimised at school by the headmaster and most of his fellow pupils. He endures beatings, humiliation and taunts that teaches him hatred and revenge. When the local School Inspector threatens his mother, he is pushed to the edge and plans a calculated attack. What emerges from this novella, is a story of love and hate, of mythical spirits and shadows of people who have sufferings far greater than his own. Enter the world of a ten year old boy in 1974 Northern Ireland and observe the innocence of logic and the subconscious reflection of a country bleeding to death.

The primary purpose of the Manual of Classification of Motor Vehicle Traffic Accidents is to promote uniformity and comparability of motor vehicle traffic accident statistics now being developed in Federal, state and local jurisdictions. This manual is divided into two sections, one containing definitions and one containing classification instructions.

awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don ' t perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.
