Print version of the book includes free access to the app (web, iOS, and Android), which offers interactive Q&A review plus the entire text of the print book! Please note the app is included with print purchase only. The third edition of this classic study guide for nurse educators taking the CNE exam continues to be the only concise review book to feature a systematic approach to exam preparation. Presented in both book and e-book format, it is updated throughout and includes a more in-depth focus on distance-learning modes along with new content on global initiatives and interdisciplinary and interprofessional education. A majority of the Q&As have been revised to reflect a stronger integrative and application focus, and 100 new questions have been added throughout the book for a total of 350 questions. Chapter references have been updated to provide opportunity for further study. The third edition is also geared for use by nurse educators in Canada who intend to take the CNE exam. The CNE review, designed for use by both novice and expert nurse educators, incorporates all content areas designated by the National League for Nursing (NLN) as essential knowledge in the field. It is formatted to closely reflect the test blueprint. Valuable features include case studies and critical thinking questions, Evidence-Based Teaching Practice boxes, "Teaching Gems" offering advice from practice experts, review questions at the end of each chapter, and a practice CNE exam with answers and rationales. New to the Third Edition: More in-depth focus on distance-learning modes New content on global initiatives Additional information on interdisciplinary and interprofessional education 100 additional review questions reflecting a higher integrative and application focus CNE app with updated Q&As and rationales available as a separate purchase Key Features: Offers systematic approach to exam preparation Closely reflects the NLN test blueprint Highlights areas designated by the NLN as essential knowledge Includes case studies, critical thinking questions, 350 practice questions with rationales, and practice test Provides Evidence-Based Teaching Practice Boxes and "Teaching Gems" from practice experts

The Rochester Quadrajet carburetor was found perched atop the engine of many a classic GM performance vehicle. The Q-Jet is a very capable but often misunderstood carb. This book, How to Rebuild and Modify Rochester Quadrajet Carburetors, seeks to lift the veil of mystery surrounding the Q-Jet and show owners how to tune and modify their carbs for maximum performance. The book will be a complete guide to selecting, rebuilding, and modifying the Q-Jet, aimed at both muscle car restorers and racers. The book includes a history of the Q-Jet, an explanation of how the carb works, a guide to selecting and finding the right carb, instructions on how to rebuild the carb, and extensive descriptions of high-performance modifications that will help anyone with a Q-Jet carb crush the competition.
