various types of sounds that
a game can generate Design
and modify a game user
interface with libGDX's
built-in tools Develop a
game that will run across
various platforms In Detail
LibGDX is a cross-platform

Read Online Adt Focus Installation Manual

game development framework in Java that makes game programming easier and fun to do. It currently supports Windows, Linux, Mac OS X, Android, and HTML5. With a vast feature set on offer, there isn't a game that

Read Online Adt Focus Installation Manual

can't be made using libGDX.
It allows you to write your
code once and deploy it to
multiple platforms without
modification. With cross-
platform delivery at its
heart, a game can be made to
target the major markets

Read Online Adt Focus Installation Manual

quickly and cost effectively. This book starts with a simple game through which the game update cycle is explained, including loading textures onto your screen, moving them around, and responding

Read Online Adt Focus Installation Manual

to input. From there you'll move on to more advanced concepts such as creating a formal game structure with a menu screen, adding a game screen and loading screen, sprite sheets, and animations. You'll explore

Read Online Adt Focus Installation Manual

how to introduce a font to optimize text, and with the help of a game that you'll create, you'll familiarise yourself with the 2D tile map API to create worlds that scroll as the characters move. In the

Read Online Adt Focus Installation Manual

final sample game of the book, you'll implement a basic version of an Angry Birds clone, which will allow you to use the physic library box2D that libGDX provides access to. An overview of exporting games

Read Online Adt Focus Installation Manual

to different platforms is then provided. Finally, you will discover how to integrate third-party services into games and take a sneak peak at the Social Media API to get a basic understanding of how it fits

Read Online Adt Focus Installation Manual

into the libGDX ecosystem.
Style and approach With this
book you'll learn game
development with libGDX
through example game
projects. You'll finish the
book with a thorough
understanding of libGDX game

Read Online Adt Focus Installation Manual

development, along with completed games that you'll have built yourself.
