Written by experienced advocates and advocacy trainers, Advocacy provides an excellent introduction to the skills and techniques required to be an advocate. Coverage includes guidance on making opening and closing speeches; planning and delivering examination-in-chief and cross-examination; questioning witnesses; as well as examples of specific questioning techniques which may be employed in practice. Additionally, authors highlight the ethical boundaries and rules within which an advocate must work. Advocacy covers both criminal and civil court proceedings, and includes a number of how-to-do-it guides illustrating how particular applications should be made in practice.

Advocacy provides a highly practical introduction to the skills and techniques required to deliver submissions and applications in the courts. It covers the full range of courtroom transactions from opening and closing cases, to conducting examination-in-chief, cross-examination, and questioning witnesses.

An advocate may know what to say but is only effective when he or she knows how to be persuasive. Combining fact with know-how to persuade judges, juries, and arbitrator, the book teaches immediately useful techniques such as how to channel the initial adrenaline buzz, grab and hold the fact finder's attention, gesture while speaking, speaking in phrases, and polishing the persuasive style. Based on 25 years of experience from coaching practitioners, this guide integrates cutting edge discoveries in human factors, gesture studies, linguistics, neuroscience, and sports psychology to give litigators a competitive edge. This brand new edition includes all new illustrations and new information on motions, arbitrations, and appeals.

Untangling Fear in Lawyering is a practical resource for law students, lawyers, legal educators, and law practice mentors to eliminate unnecessary drivers of fear in our profession that impact learning, performance, and individual well-being.

Written with the principal aim of instructing the newcomer to the English Bar, this book includes frequent references to American and Commonwealth procedures. It intends not only to teach, but also to reveal the ground rules of persuasion which operate throughout modern society.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
