With Alison's Wonderland, she has compiled a treasury of naughty tales based on fable and fairy tale, myth and legend: some ubiquitous, some obscure—all of them delightfully dirty. Morley, Elspeth Potter, T. C. Calligari, Sommer Marsden, Portia Da Costa and Tsaurah Litzsky, these bawdy bedtime stories are sure to bring you (and a friend) to your own happily—ever—after.

Ellis is unemployed, broke and nearly homeless—until her best friend Sasha whisks her away to a Venetian villa to stay with a family friend. But her dream of a relaxing escape is shattered when she spies Sasha being spanked and seduced by their sexy, dominant host. Ellis quickly realizes the guests at the villa want her to join their intense erotic games, but she's never indulged such fantasies outside of her naughty stories. Now she has the chance to act them out—but does she have the courage to give in?

The Lindy Shark The Lindy Shark is a master at maneuvering through the crowds of dancers. Seductive on his feet, exceptional in bed, he woos his prey rather than dining on them-but leaves them demolished, nonetheless. Ten Minutes in the 80s "For ten minutes in the eighties, I was beautiful. I've been beautiful since, but never like that. Never again." This a moment in time story, nostalgia unleashed in the pages of an erotic awakening. Matthew, Mark, Luke, and John "I didn't mean to fuck all of them," says the narrator. "I'm generally not that kind of a girl." But that doesn't stop this sexy co-ed from sampling the different selection of the students she is helping to tutor. A, B, or Me? Follows a couple who uses a local political issue to juice up their lovelife. Never has cold-calling been quite so sexy. Pierced She wants her clit pierced. By him. He's happy to oblige, but not until he's sure she's ready. By the time she spreads her legs for him, she's given him more than her skin to pierce. She's given him her soul.

Alison Tyler is a pioneer of a kind of erotica that's at once arousing and sophisticated, playful and explicit. A prolific author and editor in the field, with 15 novels, 20 anthologies, and more than 400 short stories to her credit, Tyler here assembles her very best short fiction. In *Exposed*, she spotlights women exploring their most vulnerable erotic moods and moments, often filigreed with humor and a BDSM slant. These stories cover the span of her career, from her first published effort ("Untouched") to her latest ("Well-Trained"). In "10 Minutes in the 80s," a nervous virgin surprises her first pickup -- and herself -- when her inner hussy is unleashed.
