Animal Farm, Part 2: Allegory Flashcards | Quizlet

Summary and Analysis Chapter 2. Summary. After the death of old Major, the animals spend their days secretly planning the rebellion, although they are unsure when it will occur. Because of their intelligence, the pigs are placed in charge of educating the animals about Animalism, the name they give to the philosophy expounded by Major in Chapter 1. Among the pigs, Snowball and Napoleon are the most important to the revolution.

Animal Farm: Chapter 2 Summary & Analysis | CliffsNotes

In Chapter 2, How do the other animals respond to the new philosophy? The other animals are kind of scared. They have been under the direction and "care" of Farmer Jones all their lives and some of them think that without him they will starve. Others wonder why they are concerned with something that may not happen until they die.

Best Animal Farm Chapters 1 & 2 Questions Flashcards | Quizlet

Answer : The Old Major talked about the dream that he had the previous night. In his dream, all men had vanished from Earth. It also reminded him of a song, Beasts of England, that he had long forgotten. iii) What secret activity was going on in the farm? Answer : The Major had sown the seeds of rebellion in the hearts of the residents of the farm. After his speech, they all started to prepare for the rebellion to happen not knowing when it would actually happen.

Play this game to review Literature. Chapter 1: What is the name of the human who owns the farm?

George Orwell's celebrated novella, *Animal Farm*, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny. Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, 'to fuse political purpose and artistic purpose into one whole.' The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all prestigious bestseller lists for the past many years.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Politics and the English Language*, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's *Politics and the English Language* is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can - and must - be rediscovered with every age.' - Irish Times

An insurance salesman desperately tries to recapture his youth in this "charming" comic novel by the iconic British author (The New York Times). George Bowling is having a crisis. Not a loud, unsightly one, but a small, desperate one. His days are occupied by an unfulfilling insurance job; his nights spent worrying about his mortgage, marriage, expanding waistline, and what seems to be a certain prospect of World War II looming on the horizon. So when George unexpectedly hits it big on a lucky

horse, he spends the windfall on the only thing he ever knew to make him happy: his childhood. George travels back to his boyhood home of Lower Binfield, swimming in vivid memories of worry-free bliss, sights, sounds, smells, and emotions of a pre-war world. But while the idyllic village in George's head may not have seen battle, the reality may be more sobering than he is prepared to deal with. Penned with Orwell's trademark insight and passion, *Coming Up for Air* is an elegiac look at memory and desire at a desperate moment in England's history.

Reprint. Originally published: New York: Harper & Brothers, 1933.

Homage to Catalonia is George Orwell's account of the Spanish Civil War. It was the last and most mature of Orwell's documentary books.

The Road to Wigan Pier is Orwell's 1937 study of poverty and working-class life in northern England.

Based on his experiences as a policeman in Burma, George Orwell's first novel is set during the end days of British colonialism, when Burma is ruled from Delhi as part of British India.

The only mistake George Orwell made in his anti-utopia *1984* was the date. A lot of things that he described as if happening in 1984 can be observed in the nowadays world. However, he depicted the future that everyone should be afraid of at any time. The iconic story *Animal Farm* and the novel *1984* are his brightest works written in the anti-utopian genre that flourished in the 20th century. The pioneer of the anti-utopia is considered to be a Russian writer Yevgeny Zamyatin, whose novel *We* influenced on the Orwell's works and not less famous Aldous Huxley, the author of *Brave New World*. And what is more, it was Orwell, who came up with an expression the Cold War. Nineteen Eighty-Four *Animal farm*

A riveting family saga, *The Story of Edgar Sawtelle* explores the deep and ancient alliance between humans and dogs, and the power of fate through one boy's epic journey into the wild. Born mute, speaking only in sign, Edgar Sawtelle leads an idyllic life with his parents on their farm in remote northern Wisconsin. For generations, the Sawtelles have raised and trained a fictional breed of dog whose thoughtful companionship is epitomized by Almondine, Edgar's lifelong companion. But with the unexpected return of Claude, Edgar's uncle, turmoil consumes the Sawtelle's once-peaceful home. When Edgar's father dies suddenly, Claude insinuates himself into the life of the farm - and into Edgar's mother's

Access Free Animal Farm Chapter 2 Answer

affections. Grief-stricken and bewildered, Edgar tries to prove Claude played a role in his father's death, but his plan backfires, spectacularly. Edgar flees into the vast wilderness lying beyond the farm. He comes of age in the wild, fighting for his survival and that of the three yearling dogs who follow him. But his need to face his father's murderer, and his devotion to the Sawtelle dogs, turn Edgar ever homeward. Wroblewski is a master storyteller, and his breathtaking scenes - the elemental north woods, the sweep of seasons, an iconic American barn, a ghost made of falling rain - create a family saga that is at once a brilliantly inventive retelling of Hamlet, an exploration of the limits of language, and a compulsively readable modern classic.
