To top it off, at "Animal Farm", I am required to work and labor on the field. I refuse to do any work. I think I will make up some witty excuses to keep myself from doing labor. The other day I had met this man on a neighboring farm. He gave me pretty ribbons to put on my mane and treated me very nicely.

Napoleon's Diary Entry - Animal Farm | FreebookSummary

Journal Entry: Monday-Life is hard, but despite this all the animals are happy. We all work hard but do not grudge effort or sacrifice for we all know that we are better off now than we were with Mr Jones. All of the work we now do is for our own benefit, not for the greed of the humans. But it is still tiresome.

Cute farm animal themed cover design 100 pages (50 sheets) College-ruled Convenient 7.44" x 9.69" size

George Orwell's celebrated novella, Animal Farm, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny.Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, 'to fuse political purpose and artistic purpose into one whole.' The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all prestigious bestseller lists for the past many years.

This cute farm animal themed composition notebook has 100 pages (50 sheets) of wide-ruled paper for school assignments, journal entries, note-taking and more! #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, Freedom Writers: Stories from the Heart In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, The Freedom Writers Diary is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture Freedom Writers. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.

This book about teachers as characters in popular media examines what can be learned from fictional teachers for the purposes of educating real teachers. Its aim is twofold: to examine the constructed figure of the teacher in film, television and text and to apply that examination in the context of teacher education. By exploring the teacher construct, readers are able to consider how popular fiction and film have influenced society's understandings and views of classroom teachers. Organized around four main themes—Identifying with the Teacher Image; Constructing the Teacher with Content; Imaging the Teacher as Savior; The Teacher Construct as Commentary—the chapters examine the complicated mixture of fact, stereotype and misrepresentation that create the image of the teacher in the public eye today. This examination, in turn, allows teacher educators to use popular culture as curriculum. Using the fictional teacher as a text, preservice—and practicing—teachers can examine positive and negative (and often misleading) representations of teachers in order to develop as teachers themselves.

"A novella compresses the world with a short story's focus, but it explores that smaller space with a novel's generosity."—Josh Weil, author of The New Valley: Novellas While the novella has existed as a distinct literary form for over four hundred years, Writing the Novella is the first craft book dedicated to creating this intermediate-length fiction. Innovative, integrated journal prompts inspire and sustain the creative process, and classic novellas serve as examples throughout. Part 1 defines the novella form and steers early decision-making on situation, character, plot, and point of view. Part 2 provides detailed directions for writing the scenic plot points that support a strong but flexible narrative arc. Appendix materials include a list of recommended novellas, publishing opportunities, and blank templates for the story map, graphs, and charts used throughout the book. By turns instructive and inspirational, Writing the Novella will be a welcome resource for new and experienced writers alike.

This volume offers an important contribution to the field of Critical Animal Studies. It charts new territory by showcasing recent research, key debates and emerging trends and features an international and transdisciplinary team of academics and activists. Ideal for advanced-level students in Critical Animal Studies and the wider Social Sciences.
