For International Business courses This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Successfully prepare students for the international marketplace. International Business illustrates how successful managers must function in a competitive world. Packed with current examples that reflect the vibrancy of the international business field, this student-friendly text offers a managerial approach that keeps an

emphasis on skills development, emerging markets and geographical literacy. The sixth edition of this internationally popular text contains all the same core concepts while incorporating new and current topic coverage.

This brief, affordable, straightforward book-packed with rich resources-is a true compendium of information about children's literature and how to use children's literature in the classroom. It is designed to awaken, reawaken, and motivate students to share literature with children. In clear, concise, direct

narrative using recommended book lists, examples, figures, and tables in combination with prose, this book conveys the body of knowledge about children's literature and about teaching literature to children. The Seventh Edition of this best-selling book adds a new co-author, Kathy G. Short, to the well-known author team of Carol Lynch-Brown and Carl M. Tomlinson.

For introductory International Business courses with the need for a brief, accessible text. International Business 4/e places culture and

globalization front and center to motivate and enable students to grasp difficult conceptual material. This approach has made it the fastest growing international business book available today.

This comprehensive overview of international business is divided into various business functions, making it clear and easy to understand. In every chapter "Culture Quest Insights" into culture, geography, and business lead readers to a multi-media experience of a certain country or region that provides useful information on the impact of
