and potential drivers in Tennessee. It provides information that all drivers will find useful. Section A consists of pages 1 through 24. This section will help new and experienced drivers alike get ready for initial, renewal, and other license applications by explaining:

- \* the different types of licenses available
- \* the documentation and other requirements for license applications
- \* details on Intermediate Driver Licenses and how this graduated driver license works for driver license applicants under age 18
- \* basic descriptions of the tests required to obtain a Driver License

Section B This section is designed to help new drivers study and prepare for the required knowledge and skills for an operator license. It includes helpful practice test questions at the end of each chapter. Section B consists of pages 25 through 90. This section of the manual provides information related to:
