No other accounting text takes you further or gives you more. With CENTURY 21 ACCOUNTING MULTICOLUMN JOURNAL 9E, 2012 UPDATE, you place the advantage of more than 100 years of accounting success into your students' hands with the latest from this authoritative leader in accounting education. Each advantage you find in CENTURY 21 ACCOUNTING MULTICOLUMN JOURNAL reflects guidance from a Teacher Review Board of more than 60 experienced educators just like you and input from a first-of-its-kind Student Advisory Board. This edition's fresh, clean presentation addresses your contemporary classroom needs as effectively today as this best-selling text did more than a century ago when it redefined the accounting course. CENTURY 21 ACCOUNTING MULTICOLUMN JOURNAL starts with the five-column multicolumn journal before moving into special journals in Part Two. This is the only text to offer you a choice in accounting presentation. The ninth edition's new student-driven design integrates commercial technology such as Microsoft Excel, Peachtree(R), and QuickBooks(R) into the end of every chapter and offers the market's first online working papers. A unique focus on financial literacy and emphasis on character, as well as companies selected by students, prepare your class for accounting challenges. Financial Literacy for the 21st Century, new to the 2012 Update, guides students in the exploration of financial topics through engaging activities that provide opportunities for students to apply valued skills such as problem solving, critical thinking, and technology use as defined by the Partnership for 21st Century Skills. Acquisition of the knowledge and skills taught in this feature will prepare students to compete in a workplace that demands creativity and innovation. Trust the book's unwavering accuracy to ensure a complete text, a comprehensive package, and technology solutions with the advantage to move your course and your students ahead in today's times. Accounting practice, whether in business or government, is more dynamic, more complex, and addresses a wider array of issues than it did as little as five years ago. Significant and rapid social, political, technological and economic changes are taking place in the world economy and it is increasingly recognised that accountants in all countries play a key role in the process of economic development. Accounting education is undergoing a thorough review on a worldwide basis and major developments are taking place to produce quality accounting education that can keep pace with dramatic world change. This book provides an up-to-date view of the state of accounting education throughout the world and focusses on the global challenges facing accounting education as we approach the millenium.
