Provides a detailed explanation of the Twelve-Step program designed by Alcoholics Anonymous, accompanied by advice on how to apply the program to codependent issues and cross-addiction

This highly anticipated workbook will help readers put the principles from Melody Beattie's international best seller Codependent No More into action in their own lives. The Codependent No More Workbook was designed for Beattie fans spanning the generations, as well as for those who may not yet even understand the meaning and impact of their codependency. In this accessible and engaging workbook, Beattie uses her trademark down-to-earth style to offer readers a Twelve Step, interactive program to stop obsessing about others by developing the insight, strength, and resilience to start taking care of themselves. Through hands-on guided journaling, exercises, and self-tests, readers will learn to integrate the time-tested concepts outlined in Codependent No More into their daily lives by setting and enforcing healthy limits, developing a support system through healthy relationships with others and a higher power, experiencing genuine love and forgiveness, letting go and detaching from others' harmful behaviors, whether fixated on a loved one with depression, an addiction, an eating disorder, or other self-destructive behaviors, or someone who makes unhealthy decisions, this book offers the practical means to plot a comprehensive, personalized path to hope, healing, and the freedom to be your own best self.

Narcotics Anonymous Step Working Guides are meant to be used by NA members at any stage of recovery, whether it's the first time through the steps, or whether they have been a guiding force for many years. This book is intentionally written to be relevant to newcomers and to help more experienced members develop a deeper understanding of the Twelve Steps.

The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. Is someone else's problem your problem? If, like so many others, you've lost sight of your own life in the drama of tending to someone else's, you may be codependent--and you may find yourself in this book--Codependent No More. The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. With instructive life stories, personal reflections, exercises, and self-tests, Codependent No More is a simple, straightforward, readable map of the perplexing world of codependency--charting the path to freedom and a lifetime of healing, hope, and happiness. Melody Beattie is the author of Beyond Codependency, The Language of Letting Go, Stop Being Mean to Yourself, The Codependent No More Workbook and Playing It by Heart.

A pair of leading psychologists argues that prejudice toward others is often an unconscious part of the human psyche, providing an analysis of the science behind biased feelings while sharing guidelines for identifying and learning from hidden prejudices. 15,000 first printing.

#1 New York Times Bestseller Legendary venture capitalist John Doerr reveals how the goal-setting system of Objectives and Key Results (OKRs) has helped tech giants from Intel to Google achieve explosive growth—and how it can help any organization thrive. In the fall of 1999, John Doerr met with the founders of a start-up whom he'd just given \$12.5 million, the biggest investment of his career. Larry Page and Sergey Brin had amazing technology, entrepreneurial energy, and sky-high ambitions, but no real business plan. For Google to change the world (or even to survive), Page and Brin had to learn how to make tough choices on priorities while keeping their team on track. They'd have to know when to pull the plug on losing propositions, to fail fast. And they needed timely, relevant data to track their progress—to measure what mattered. Doerr taught them about a proven approach to operating excellence: Objectives and Key Results. He had first discovered OKRs in the 1970s as an engineer at Intel, where the legendary Andy Grove ("the greatest manager of his or any era") drove the best-run company Doerr had ever seen. Later, as a venture capitalist, Doerr shared Grove's brainchild with more than fifty companies. Wherever the process was faithfully practiced, it worked. In this goal-setting system, objectives define what we seek to achieve; key results are how those top-priority goals will be attained with specific, measurable actions within a set time frame. Everyone's goals, from entry level to CEO, are transparent to the entire organization. The benefits are profound. OKRs surface an organization's most important work. They focus effort and foster coordination. They keep employees on track. They link objectives across silos to unify and strengthen the entire company. Along the way, OKRs enhance workplace satisfaction and boost retention. In Measure What Matters, Doerr shares a broad range of first-person, behind-the-scenes case studies, with narrators including Bono and Bill Gates, to demonstrate the focus, agility, and explosive growth that OKRs have spurred at so many great organizations. This book will help a new generation of leaders capture the same magic.
