Annotation "Conflict and Communication offers educators a practical curriculum on conflict management that helps students understand the nature of conflict and learn the skills that will enable them to deal with conflicts in their lives. The book is divided into two parts: Conflict Management and Student Mediation." "Conflict Management contains 60 hands-on activities that help students understand how personal values are formed, how misperceptions and misunderstandings arise and affect relationships, and how they can communicate effectively. The activities explain the roots and consequences of conflict, offer specific strategies for dealing with conflict, and help students discover basic human rights and their connection to conflict."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. This vital resource offers an intervention designed to help divert young women from engaging in girl gang culture by providing them with the opportunities to explore alternative options for themselves that ensure a sense of self-worth and belonging in a non-aggressive culture where crime is not integral to their self-definition. This unique resource will give your school access to tools and evidence-based solutions that educate students about the risks of gang culture and provide them with strategies to rationalise and reject anti-social and offending behaviours. This essential resource will enable you to: identify the existence of both girl and boy gangs in school; develop whole school curriculum offering effective teaching and learning about gang issues; adopt a holistic approach to tackling gang culture including parents, community groups and local agencies; secure help for the most vulnerable students; and, prepare staff to deal with the difficulties that arise in tackling these issues.

This book offers a comprehensive and critical guide to research and practice in the field of arts education and conflict management. The DRACON project explores the relationship between drama and conflict transformation. This international, interdisciplinary and comparative action research project, begun in 1996, is aimed at improving conflict management and transformation among adolescent school students using the medium of educational drama. The book reports on the underpinning principles, and on action research practice in Malaysia, Sweden and Australia. The strategies and techniques, which were revolutionary when first introduced, are now tried and tested. The book chronicles the history, successes, opportunities and challenges of the original 10-year project, and brings the story up to date by highlighting some of its many legacies and resulting influences around the world. This book will benefit researchers, academics and graduate students in Education, the Social Sciences, Dispute Resolution and the Performing Arts.
