I have read many Tami Hoag mysteries. The Kovak/Liska ones and they are very good. Good story, well told and enjoyable if you like a good mystery as I do. However, I was very disappointed by this book, Cry Wolf. Too much introspection and "searching" and almost every encounter was accompanied by a sexual development.

Cry Wolf was too long to be enjoyable. The ending was so drawn out and hashing out the sisters past was redundant. Jack as a love interest was hard to buy--bitter, selfish and brash don't make for a strong love interest. The narrator was decent and well at the accents, which helped get me through the book. Unfortunately the story fell short.

Louisiana deputy Annie Broussard is haunted by the murder of a young mother whose alleged killer has been freed on a technicality, but in order to pursue the investigation she must team up with Nick Fourcade, a cop who is known for stepping over the line of ethical behavior.

Attorney Laurel Chandler tries not to fall for the charm of notorious bad boy writer Jack Boudreaux, a man who has seduced half the women in Bayou Breaux.

Narrowly escaping a brutal attack while trying to deliver a package to a low-life lawyer, bicycle messenger Jace Damon is stunned to discover that the attorney has been murdered, he has become the prime suspect, and he must somehow elude both the cops and the bad guys in order to protect himself and his younger brother from a killer. Reprint.

Detective Nick Fourcade and Deputy Annie Broussard return to investigate the brutal murder of a seven-year-old boy in Hoag's most harrowing thriller yet.

Catherine Ling is one of the CIA's most prized operatives. Raised on the unforgiving streets of Hong Kong, she was pulled into the agency at the age of fourteen, already having accumulated more insight and secrets than the most seasoned professionals in her world. If life has taught her anything, it is not to get attached, but there are two exceptions to that rule: her son Luke and her mentor Hu Chang. When Luke was kidnapped at the age of two, it nearly broke her. Now, nine years later, her son has astonishingly been returned to her and Catherine vows never to fail him again. But when her job pulls her away from home, she relies on the brilliant and deadly Hu Chang to safeguard Luke in her absence. Erin Sullivan, an American journalist with mysterious ties to Hu Chang, has been kidnapped in Tibet. If Catherine doesn't agree to spearhead the CIA rescue mission, she knows that Hu Chang himself will go, a possibility she can't risk. But she will be facing a monster whose crimes stretch back forty years, always eluding the CIA. The job grows even more complicated when Catherine meets Richard Cameron, a supposed ally who's clearly not telling all he knows. Their attraction is immediate, but Catherine isn't at all sure that he can be trusted. If she's going to rescue this journalist with a story worth killing for, she'll need to keep Cameron very close. From the treacherous landscape of the Himalayas to the twisting back alleys of San Francisco, the clock is ticking for Catherine and those she loves most. At every turn she faces a ruthless enemy who is determined to keep the truth buried, even if it means that none of them live to see tomorrow, in this New York Times bestselling novel from Iris Johansen.

What if you only had one chance? Would you take it, or be too afraid to? Thankful for second chances, Chad Edwards contemplated these questions as he wrote in his journal for a high school assignment, long before he knew just how prophetic those words would become in his life. Now a student of sports medicine at the University of Tennessee, Chad and his best friend Cole Rivers, who is the Volunteer's star quarterback, meet Maggie Thompson, an aspiring music teacher. The three become close friends. Maggie is the personification of perfection in Chad and Cole's eyes, and as fate would have it, they both fall in love with her. Just when you think you know what's to come, fate steps in again, and changes everything, leaving you not only anxious to find out what happens, but hoping for that second chance, that fortunately, we all usually have. This is not only a story about second chances, it's a story about the cost and rewards of an undying loyalty between friends, through tragedy and love, which once upon a time, was as valued as a person's word of honor. This story spans several years of their lives.

#1 NEW YORK TIMES BESTSELLER • In the heart of Trenton, N.J., a killer is out to make sure someone gets his just desserts. Larry Virgil

skipped out on his latest court date after he was arrested for hijacking an eighteen-wheeler full of premium bourbon. Fortunately for bounty hunter Stephanie Plum, Larry is just stupid enough to attempt almost the exact same crime again. Only this time he flees the scene, leaving behind a freezer truck loaded with Bogart ice cream and a dead body—frozen solid and covered in chocolate and chopped pecans. As fate would have it, Stephanie's mentor and occasional employer, Ranger, needs her to go undercover at the Bogart factory to find out who's putting their employees on ice and sabotaging the business. It's going to be hard for Stephanie to keep her hands off all that ice cream, and even harder for her to keep her hands off Ranger. It's also going to be hard to explain to Trenton's hottest cop, Joe Morelli, why she is spending late nights with Ranger, late nights with Lula and Randy Briggs—who are naked and afraid—and late nights keeping tabs on Grandma Mazur and her new fella. Stephanie Plum has a lot on her plate, but for a girl who claims to have “virtually no marketable skills,” these are the kinds of sweet assignments she does best.

“ONE OF THE MOST INTENSE SUSPENSE WRITERS AROUND.” —CHICAGO TRIBUNE #1 New York Times bestselling author Tami Hoag delivers a double shot of suspense in these two adrenaline-charged classic thrillers offered together in one powerful volume. NIGHT SINS A peaceful Minnesota town is about to face its worst nightmare. A young boy disappears and the only clue is a note—taunting and casually cruel. Has a cold-blooded kidnapper struck? Or is this the reawakening of a long-quiet serial killer? For a tough-minded investigator, it's her first make-or-break case. For a local cop, it's the fear that big-city evil has come to stalk his small-town home. Together they'll hunt a madman who knows no bounds and for whom no sin is forbidden. “Nerve-shattering, explosive entertainment, and should not be missed by anyone who reads for the thrill of it.” —Michael Palmer GUILTY AS SIN A psychopath has been playing a twisted game with a terrified Minnesota town. Now a respected member of the community stands accused of a chilling act of evil. But when a second boy vanishes, a frightened public demands to know if the police have caught the wrong man. Is the nightmare continuing...or just beginning? Prosecutor Ellen North believes she has the right man—but that he has an accomplice in the shadows. Ellen suddenly finds herself swept into a cruel contest of wits, a dark game of life and death... with an evil mind as guilty as sin. “A chilling study of evil that holds the reader until the shocking surprise ending.” —Phillip Margolin

In her latest thriller, New York Times bestselling author Tami Hoag takes readers on a suspense-filled ride of shocks and twists leading to an explosive finish. It is the story of an ex-cop, a missing girl, and a killer locked in a race where there can be only one winner--and the losers die trying. In a trailer in a Florida swamp, time is running out for eighteen year-old Erin Seabright. A pawn in a kidnapper's terrifying game for a ransom no one can pay, her last hope is a washed-up ex-cop who has already lost it all--not once, but twice. The wealthy world of the Palm Beach horse set seems a long way from a cop's world in the narcotics division. A lifetime ago, undercover sheriff's detective Elena Estes worked the mean streets and BackTop alleys, living by her wits and playing the long odds until she took one risk too many. Now Estes lives on the ragged edge of lost hope and self-hatred, hiding from the past and believing she doesn't deserve to have a future. But the past is about to come back with a vengeance, and the future is about to become a race between life and death. A young woman is missing and her twelve year-old stepsister comes to Estes for help. No one but serious, studious Molly Seabright seems concerned about what's happened to her troubled older sister. But Molly is convinced Erin is in danger. Estes has no P.I. license, no interest in a new career, and no desire to break her self-imposed exile. But the more she learns about the people Erin Seabright was involved with, the more her long-dormant cop instincts come back to life. One trip to the show grounds where Erin worked as a groom, and Estes is quickly pulled to the dark side of a glamorous sport. Behind the glittering, ultra-rich facade is an ultra-ruthless world of drugs, payoffs, and dirty deals. A world of dissolute playboys and crooked horse-dealers, of royalty and rabble, of rivals and enemies. An obscenely wealthy world where anything can be had for a price--including a life. And in that world stalks a killer who will lead Estes down a dark, twisted trail of decadence and deceit, mayhem and murder--from the gilded life of Palm Beach to the darkest corners of the Florida swamps, to a final show-down that could cost her everything. A race against time and evil. A race in which Estes is the dark horse--and no one is betting on her to win.

A cold-blooded kidnapper has been playing a twisted game with a terrified Minnesota town. Now a respected member of the community stands accused of a horrific act of evil. But when a second boy disappears, a frightened public demands to know: Have the police caught the wrong man? Is the nightmare continuing—or just beginning? Prosecutor Ellen North believes she's building a case against a guilty man—and that he has an accomplice in the shadows. As she prepares for the trial of her career, Ellen suddenly finds herself swept into a cruel contest of twisted wits, a dark dance of life and death . . . with an evil mind as guilty as sin. Praise for Tami Hoag and Guilty as Sin “Without a doubt . . . one of the most intense suspense writers around.”—Chicago Tribune “A chilling study of evil that holds the reader until the shocking surprise ending.”—New York Times bestselling author Phillip Margolin “The tangled relationships that lie just beneath the surface of Deer Lake are tantalizingly revealed.”—The New York Times Book Review “Accomplished and scary.”—Cosmopolitan
