Meet the Author The Headless Horseman has thundered

The Devil and Tom Walker - Thomas County Schools

1. The Devil And Tom Walker. From The Money-diggers. Washington Irving (1783-1859) A few miles from Boston, in Massachusetts, there is a deep inlet winding several miles into the interior of the country from Charles Bay, and terminating in a thickly wooded swamp or morass. On one side of this inlet is a beautiful dark grove; on the opposite side the land rises abruptly from the water's edge into a high ridge, on which grow a few scattered oaks of great age and immense size.

The Devil And Tom Walker

\"The Devil and Tom Walker\" was first published in 1824 among a collection of short stories called \"Tales of a Traveller,\" which Irving wrote under pseudonym Geoffrey Crayon. The story appropriately appeared in a section called \"Money-Diggers,\" as the tale chronicles the selfish choices of an exceptionally stingy and greedy man.

'The Devil and Tom Walker' Summary and Study Guide

\"The Devil and Tom Walker is a tall tale, a type of folklore associated with the American frontier. Tall tales are humorous stories that contain exaggerations and invention. Typically, their heroes are bold but foolish characters who may have superhuman abilities or who act as if they do.'

The Devil and Tom Walker

This early work by Stephen Vincent Benét was originally published in 1937 and we are now republishing it with a brand new introductory biography. 'The Devil and Daniel Webster' is a short story about a successful lawyer who believes you can win your soul back from the devil. Stephen Vincent Benét was born on 22nd July 1898 in Bethlehem, Pennsylvania, United States. Benét was an accomplished writer at an early age, having had his first book published at 17 and submitting his third volume of poetry in lieu of a thesis for his degree. During his time at Yale, he was an influential figure at the 'Yale Lit' literary magazine, and a fellow member of the Elizabethan Club. Benét was also a part-time contributor for the early Time Magazine. Benét's best known works are the book-length narrative poem American Civil War, John Brown's Body (1928), for which he won a Pulitzer Prize in 1929, and two short stories, The Devil and Daniel Webster (1936) and By the Waters of Babylon (1937). Benét won a second Pulitzer Prize posthumously for his unfinished poem Western Star in 1944.

Touching upon the legends surrounding the infamous captain William Kid, Washington Irving's short story deals in feats of adventures, pirates, and buried treasure. The tempestuous life of William Kid and his return 'laden with booty' gives vent to the rise of treasure-seekers, chasing wild rumours. Superstition, devilry, and magic intertwine in this short story that forms the backbone of American folklore tales about pirates and hidden, stolen goods. But do not hasten to grab the shovel - the aforesaid treasure is often guarded by the Devil himself. Versatile as the subject matter of his literary oeuvre, the name of Washington Irving still echoes in the corridors of the American literary canon. Having earned special status as a man of letters in America and Europe alike, Irving's fame stems primarily from his short stories 'Rip Van Winkle' and 'The Legend of Sleepy Hollow'. An avid biographer and historian, his influence can be felt within a vast group of American and British authors such as Nathaniel Hawthorne, E. A. Poe, Charles Dickens, and Sir Walter Scott.

It's a powerful combination of the world's best literature and superior reading and skills instruction! Prentice Hall Literature Timeless Voices, Timeless Themes helps students grasp the power and beauty that lies within the written word, while the program's research-based reading approach ensures that no child is left behind.

The Exclusive Method You Can Use to Learn-Not Just Memorize-Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall-and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations-not just brief definitions-of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings.

Exercises designed to develop vocabulary skills present words together with their pronunciations, definitions and use in sentences. Reissue.

An honour book and shortlisted title in the CBC Early Childhood book of the Year Awards 2009. Tom Tom is an engaging contemporary story that traces a day in the life of a small boy living in a typical Aboriginal community in the Top End of the Northern Territory. It follows the adventures of Tom Tom as he goes to preschool, eats lunch with Granny Annie in the bottom camp, swims in the Lemonade Springs in the afternoon and spends the night with Granny May and grandfather Jo in the top camp. Rosemary Sullivan's simple text and Dee Huxley's vivid illustrations captures the warmth and security of Tom Tom's world as he moves freely within his community from relative to another. As a pre-school teacher working in remote Aboriginal communities for more than 17 years, Rosemary Sullivan says: 'Tom Tom was inspired by the lives of many indigenous children in the Top End and the importance of family and interconnectedness in Aboriginal life.'

\"Dictionary, n: A malevolent literary device for cramping the growth of a language and making it hard and inelastic. This dictionary, however, is a most useful work.\" Bierce's groundbreaking Devil's Dictionary had a complex publication history. Started in the mid-1800s as an irregular column in Californian newspapers under various titles, he gradually refined the new-at-the-time idea of an irreverent set of glossary-like definitions. The final name, as we see it titled in this work, did not appear until an 1881 column published in the periodical The San Francisco Illustrated Wasp. There were no publications of the complete glossary in the 1800s. Not until 1906 did a portion of Bierce's collection get published by Doubleday, under the name The Cynic's Word Book-the publisher not wanting to use the word \"Devil\" in the title, to the great disappointment of the author. The 1906 word book only went from A to L, however, and the remainder was never released under the compromised title. In 1911 the Devil's Dictionary as we know it was published in complete form as part of Bierce's collected works (volume 7 of 12), including the remainder of the definitions from M to Z. It has been republished a number of times, including more recent efforts where older definitions from his columns that never made it into the original book were included. Due to the complex nature of copyright, some of those found definitions have unclear public domain status and were not included. This edition of the book includes, however, a set of definitions attributed to his one-and-only \"demon's Dictionary\" column, including Bierce's classic definition of A: \"the first letter in every properly constructed alphabet.\" Bierce enjoyed \"quoting\" his pseudonyms in his work. Most of the poetry, dramatic scenes and stories in this book attributed to others were self-authored and do not exist outside of this work. This includes the prolific Father Gassalasca Jape, whom he thanks in the preface-\"jape\" of course having the definition: \"a practical joke.\" This book is a product of its time and must be approached as such. Many of the definitions hold up well today, but some might be considered less palatable by modern readers. Regardless, the book's humorous style is a valuable snapshot of American culture from past centuries. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
