debates. It is useful for first-year IT /ITU engineering students as well as other readers who need to develop their English language and soft skills.

Corporate Communication for Management Students makes an assessment of the motivation and attitude of the learners and teachers, besides evaluating the appropriateness of the instructional materials. Having analyzed the corporate and professional factors, the book appraises the evaluation pattern and the resources like infrastructure and supplementary materials. An attempt has been made to design guidelines for revising the curriculum for corporate communication. An analysis of curricula of different universities and business schools across India, drawing from the proper understanding of the problems, a model set of guidelines have been evolved for suitable curriculum of communication skills to the management students. It is estimated that the book will definitely indulge the prospects of the experts of the innovations in designing curriculum of corporate communication.

He is a retired Officer from PSU and a permanent resident of Hyderabad-500062 Dist: Rachakonda, (TS) India.

Made Easy Series is developed with an objective of meeting the requirement of books that cover syllabi of important core engineering subjects focussing completely on the manner in which concepts will be tested in examinations. Books in this series are designed in a question-and-answer format to cater to undergraduate students of all major technological universities and to equip them with the desired knowledge in a simple yet comprehensive manner. They explore all the important concepts of the syllabi with the help of solved questions and numerical problems of previous years? question papers of these universities. Apart from being extremely student-friendly and lucid, the books in this series are rich in pedagogical features such as brief point-wise discussion of fundamental concepts, theoretical questions with answers, solved numerical problems, and objective questions and exercises for further practice (all taken from previous years? question papers) that aid students in preparing well for university examinations. Because of the fiercely competitive nature of the current academic scenario and the large number of books available for each topic, it is extremely difficult for students to spend too much time in an in-depth study of each book, especially during examinations when they are hard-pressed for time. Made Easy Series will empower students to prepare for university examinations in a systematic and thorough manner in a limited amount of time. The syllabi of the following universities have been covered in the book: UPTU, Anna Univ., JNTU, VTU, RTU, RGTU, WBUT, BPUT, PTU, Pune Univ., Mumbai Univ.

This book is designed based on revised syllabus of Gujarat Technological University, Gujarat (AICTE model curriculum) for under-graduate (B.Tech/BE) students of all branches, those who study Basic Electrical Engineering as one of the subject in their curriculum. The primary goal of this book is to establish a firm understanding of the basic laws of Electric Circuits, Network Theorems, Resonance, Three-phase circuits, Transformers, Electrical Machines and Electrical Installation.

A directory to the universities of the Commonwealth and the handbook of their association.

I am Kanhaiya Kumar, native of Bihar. I am doing PhD on a very important subject “ Mating habits of gay chimpanzees in South Africa ” at PANU university, the best university in India and possibly the best university in the world. My idols are “ Faizal Guru ” , “ Janab Kasab Sahib ” , “ Focus Carat ” , “ Baba Badkar ” and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.
