After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend , and her soul makes a first step to healing.

Long before the Clone Wars, the Empire, or the First Order, the Jedi lit the way for the galaxy in a golden age known as the High Republic!Vernestra Rwoh is a new Jedi Knight at age sixteen, but her first real assignment feels an awful lot like babysitting. She's been charged with supervising twelve-year old aspiring inventor Avon Starros on a cruiser headed to the dedication of a wondrous new space station called Starlight Beacon.But soon into their journey, bombs go off aboard the cruiser. While the adult Jedi try to save the ship, Vernestra, Avon, Avon's droid J-6, a Jedi Padawan, and an ambassador's son make it to an escape shuttle, but communications are out and supplies are low. They decide to land on a nearby moon, which offers shelter but not much more. And unbeknownst to them, danger lurks in the forest....Rich internal third-person dialogue reveals dollops of inner turmoil for each character at key moments as well as providing some much-needed world-building to make this a winning choice. A great read for Star Wars fans young and old." -- Kirkus Reviews

ⓘA healthy dose of action, a strong thread of humor and just a touch of romance! (VOYA, starred review). A teen who is half-god, half-human must own her power whether she likes it or not in this snappy, snarky novel with a serving of smoldering romance that Kirkus Reviews calls [a dark, slyly funny read.ⓘ Zephyr Mourning has never been very good at being a Harpy. She'd rather watch reality TV than learn forty-seven ways to kill a man, and she pretty much sucks at wielding magic. Zephyr was ready for a future pretending to be a normal human instead of a half-god assassin. But all that changed when her sister was murderedⓘand Zephyr used a forbidden dark power to save herself from the same fate. On the run from a punishment worse than death, an unexpected reunion with a childhood friend upends Zephyr's worldⓘand not only because her old friend has grown surprisingly, extremely hot. It seems that Zephyr might just be the Nyx, a dark goddess that is prophesied to shift the power balance: for hundreds of years the half-gods have lived in fear, and Zephyr is supposed to change that. But how is she supposed to save everyone else when she can barely take care of herself?

The Goddess Test meets Dexter in an edgy, compelling debut about one teen's quest for revengeⓘno matter how far it takes her. Amelie Ainsworth is not alone in her head. Bound to a deal of desperation made when she was a child, Amelie's mind houses the Furiesⓘthe hawk and the serpentⓘlingering always, waiting for her to satisfy their bloodlust. After escaping the asylum where she was trapped for years, Amelie knows how to keep the Furies quiet. By day, she lives a normal life, but by night, she tracks down targets the Furies send her way. And she brings down Justice upon them. Amelie's perfected her system of survival, but when she meets a mysterious boy named Niko at her new school, she can't figure out how she feels about him. For the first time, the Furies are quiet in her head around a guy. But does this mean that Amelie's finally found someone who she can trust, or are there greater factors at work? As Amelie's mind becomes a battlefield, with the Furies fighting for control, Amelie will have to decide which is worse: denying the only man she might ever love, or subjecting him to the fate the Furies want for him?

EASY BAKE COVEN Katie Lightfoot's tired of loafing around as the assistant manager of an Ohio bakery. So when her aunt Lucy and uncle Ben open a bakery in Savannah's quaint downtown district and ask Katie to join them, she enthusiastically agrees. While working at the Honeybee Bakeryⓘnamed after Lucy's cat!ⓘKatie notices that her aunt is adding mysterious herbs to her recipes. Turns out these herbal enhancements aren't just tasty!ⓘAunt Lucy is a witch and her recipes are actually spells! When a curmudgeonly customer is murdered outside the Honeybee Bakery, Uncle Ben becomes the prime suspect. With the help of handsome journalist Steve Dawes, charming firefighter Declan McCarthy, and a few spells, Katie and Aunt Lucy stir up some toil and trouble to clear Ben's name and find the real killer..

An all-new adventure starring Lando Calrissian and L3-37 onboard the Millennium Falcon! When Lando Calrissian gets caught smuggling on the planet Hynestia, the queen agrees to let him go if he delivers something called the Solstice Globe to the Empire on her behalf. Lando is relieved that his punishment is a simple delivery missionⓘbut he soon discovers things are not as simple as they seem. The queen's daughter, Princess Rinetta, has stowed away on the Millennium Falcon and demands Lando and L3-37 take the globe back to its home planet, which needs the globe to survive. Now Lando has to choose: Do what's right, or do what's best for Lando . But if he's lucky enough, he just might be able to do both....

The sequel to the New York Times bestselling epic Dread Nation is an unforgettable journey of revenge and salvation across a divided America. After the fall of Summerland, Jane McKeene hoped her life would get simpler: Get out of town, stay alive, and head west to California to find her mother. But nothing is easy when you're a girl trained in putting down the restless dead, and a devastating loss on the road to a protected village called Nicodemus has Jane questioning everything she thought she knew about surviving in 1880s America. What's more, this safe haven is not what it appearsⓘas Jane discovers when she sees familiar faces from Summerland amid this new society. Caught between mysteries and lies, the undead, and her own inner demons, Jane soon finds herself on a dark path of blood and violence that threatens to consume her. But she won't be in it alone. Katherine Deveraux never expected to be allied with Jane McKeene. But after the hell she has endured, she knows friends are hard to come byⓘand that Jane needs her too, whether Jane wants to admit it or not. Watching Jane's back, however, is more than she bargained for, and when they both reach a breaking point, it's up to Katherine to keep hope aliveⓘeven as she begins to fear that there is no happily-ever-after for girls like her.

Ancient Mesopotamia, the fertile crescent between the Tigris and Euphrates rivers in what is now western Iraq and eastern Syria, is considered to be the cradle of civilizationⓘhome of the Babylonian and Assyrian empires, as well as the great Code of Hammurabi. The Code was only part of a rich juridical culture from 2200ⓘ1600 BCE that saw the invention of writing and the development of its relationship to law, among other remarkable firsts. Though ancient history offers inexhaustible riches, Dominique Charpin focuses here on the legal systems of Old Babylonian Mesopotamia and offers considerable insight into how writing and the law evolved together to forge the principles of authority, precedent, and documentation that dominate us to this day. As legal codes throughout the region evolved through advances in cuneiform writing, kings and governments were able to stabilize their control over distant realms and impose a common languageⓘwhich gave rise to complex social systems overseen by magistrates, judges, and scribes that eventually became the vast empires of history books. Sure to attract any reader with an interest in the ancient Near East, as well as rhetoric, legal history, and classical studies, this book is an innovative account of the intertwined histories of law and language.

"Motherhood is a career -- the hardest and the best", writes Linda J. Eyre. "It's also an amazing, electrifying, sometimes terrifying roller-coaster ride full of action, adventure, and risk". This newly revised edition of A Joyful Mother of Children, which includes insights from additional years of mothering experience, will add humor, perspective, and a little magic to the lives of mothers in all stages. A special section for mothers of young children offers stress reducers, sound suggestions, and motivational challenges that will make day-to-day mothering easier. In a friendly and reassuring style, the author, herself a mother of nine, has written chapters on viewing children as individuals, creating a joyful partnership with one's husband, appreciating teenagers, cherishing the present, and other meaningful topics. Her fresh, invigorating point of view and solid common sense will help women find true joy as mothers.
