This learning flash cards aim to expand kids' favorite animals' vocabulary with fun activities. This can improve your child to improve in reading and writing skills. It's pretty obvious that a larger vocabulary can help prevent these frustrating in reading comprehension. The more vocabulary words kids know, the better they are able to comprehend.

Cards have a picture of an animal and its name on the front and facts about the animal on the back.

Learning the names of the animals can be quite beneficial for young children. Here you'll find a list of animal names in English to help your little ones learn about the animals. It may sound like simple toddler fun, but learning this vocabulary at a young age actually helps your child develop savvy pre-academic and social skills. Animal words also provide an opportunity for babies and toddlers to practice the many sounds we use in English. Once your child learns simple farm animal words, they'll start connecting them together or with other words to create meaning.

Use as flash cards, practice sorting by color or type, or separate and hang as decorations in a playroom or classroom. Art by Clare Beaton. Preschool+.
