Godsgrave The Nevegright Chronicle Book

Nevegright was a revenge story with a battle-school setting; Godsgrave is the continuation to that revenge story without any of the battle-school trope. Almost the entirety of the book revolved around a new mission: Mia's struggle to win the gladiatorial collegium for a chance to complete her unfinished revenge.

A ruthless young assassin continues her journey for revenge in this new epic fantasy from New York Times bestselling author Jay Kristoff. Conquer your fear, conquer the world Mia Corvere, destroyer of empires, has found her place among the Blades of Our Lady of Blessed Murder, but many in the Red Church ministry do not believe she has earned it. Her position is precarious, and she's still no closer to exacting revenge for the brutal death of her family. But after a deadly confrontation with an old enemy, Mia begins to suspect the motives of the Red Church itself. When it is announced that Consul Scaeva and Cardinal Duomo will be making a rare public appearance at the conclusion of the grand games in Godsgrave, Mia defies the Church and sells herself into slavery for a chance to fulfill the promise she made on the day she lost everything. Upon the sands of the arena, Mia finds new allies, bitter rivals, and more questions about her strange affinity for the shadows. But as conspiracies unfold, secrets are revealed and the body count rises within the collegium walls, Mia will be forced to choose between her loyalties and her revenge.

The epic conclusion to the internationally bestselling Nevegright Chronicle from New York Times bestselling author Jay Kristoff. The greatest games in Godsgrave's history have ended with the most audacious murders in the history of the Itrean Republic. Mia Corvere, gladiati, escaped slave and infamous assassin, is on the run. Pursued by Blades of the Red Church and soldiers of the Luminatii legion, she may never escape the City of Bridges and Bones alive. Her mentor Mercurio is now in the clutches of her enemies. Her own family wishes her dead. And her nemesis, Consul Julius Scaeva, stands but a breath from total dominance over the Republic. But beneath the city, a dark secret awaits. Together with her lover Ashlinn, brother Jonnen and a mysterious benefactor returned from beyond the veil of death, she must undertake a perilous journey across the Republic, seeking the final answer to the riddle of her life. Truedark approaches. Night is falling on the Republic for perhaps the final time. Can Mia survive in a world where even daylight must die? New York Times and internationally bestselling author Jay Kristoff's writing has been praised by critics and readers alike and has won many awards, including four Aurealis Awards, an ABIA, and David Gemmell Morningstar and Legend awards.

"In a world where the suns almost never set, a woman gains entry to a school of infamous assassins, seeking vengeance against the powers that destroyed her family. Daughter of an executed traitor, Mia Corvere is barely able to escape her father's failed rebellion with her life. Alone and friendless, she wanders a city built from the bones of a dead god, hunted by the Senate and its thugs. But her gift for speaking with the shadows leads her to the hearth of a retired killer, and a future she never imagined. Now, Mia is apprenticed to the deadliest flock of assassins in the entire Republic-the Red Church. Deadly trials await her within the Church's halls: blades and poisons, treachery and death. If she survives to initiation, she'll be inducted among the chosen of the Lady of Blessed Murder, and be one step closer to the only thing she desires. Revenge. Nevegright will come on the heels of Kristoff's latest YA book, a collaboration with Amie Kaufman from Knopf Books for Young Readers, Illuminae. Knopf is planning a major publicity blitz and featuring Illuminae as its lead title for Fall, on sale October 20th. The marketing and publicity campaign include a multi-city USA tour in the fall, major outreach at consumer and industry events, a national paid advertising campaign, and extensive publicity outreach"--

The first in an epic new fantasy series, introducing an unforgettable new heroine and a stunningly original dystopian steampunk world with a flavor of feudal Japan. A DYING LAND The Shima Imperium verges on the brink of environmental collapse; an island nation once rich in tradition and myth, now decimated by clockwork industrialization and the machine-worshippers of the Lotus Guild. The skies are red as blood, the land is choked with toxic pollution, and the great spirit animals that once roamed its wilds have departed forever. AN IMPOSSIBLE QUEST The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger l a legendary creature, half-eagle, half-tiger. But any fool knows the beasts have been extinct for more than a century, and the price of failing the Shogun is death. A HIDDEN GIFT Yukiko is a child of the Fox clan, possessed of a talent that if discovered, would see her executed by the Lotus Guild. Accompanying her father on the Shogun's hunt, she finds herself stranded: a young woman alone in Shima's last wilderness, with only a furious, crippled thunder tiger for company. Even though she can hear his thoughts, even though she saved his life, all she knows for certain is he'd rather see her dead than help her. But together, the pair will form an indomitable friendship, and rise to challenge the might of an empire.

Kinslayer is Book Two in Jay Kristoff's critically acclaimed Lotus War series that began with Stormdancer, featuring an unforgettable heroine and a stunningly original Japanese dystopian steampunk world A SHATTERED EMPIRE The mad Shogun Yoritomo has been assassinated by the Stormdancer Yukiko, and the threat of civil war looms over the Shima Imperium. The toxic blood lotus flower continues to ravage the land, the deadlands splitting wider by the day. The machine-worshippers of the Lotus Guild conspire to renew the nation's broken dynasty and crush the growing rebellion simultaneously - by endorsing a new Shogun who desires nothing more than to see Yukiko dead. A DARK LEGACY Yukiko and the mighty thunder tiger Buruu have been cast in the role of heroes by the Kagé rebellion. But Yukiko herself is blinded by rage over her father's death, and her ability to hear the thoughts of beasts is swelling beyond her power to control. Along with Buruu, Yukiko's anchor is Kin, the rebel Guildsman who helped her escape from Yoritomo's clutches. But Kin has his own secrets, and is haunted by visions of a future he'd rather die than see realized. A GATHERING STORM Kagé assassins lurk within the Shogun's palace, plotting to end the new dynasty before it begins. A waif from Kigen's gutters begins a friendship that could undo the entire empire. A new enemy gathers its strength, readying to push the fracturing Shima imperium into a war it cannot hope to survive. And across raging oceans, amongst islands of black glass, Yukiko and Buruu will face foes no katana or talon can defeat. The ghosts of a blood-stained past.

From New York Times bestselling author Jay Kristoff comes Empire of the Vampire, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light: The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

When I was a youngster my parents invented a cool contraption. They put one of every kind of animal in it. I accidentally got in before it started. Halfway through the process my mum saw me and took me out. All the animals had simply disappeared and I looked normal, or so it seemed. They trashed the heaping hunk of metal as if it were a failure and went back to the drawing board. That shows you how little they knew. I'm everything but normal, to be precise, I'm everything. In Doversa everything is magical. Items in stores float without the need for shelves, fires warm but don't burn people, and ponds are windows to other worlds. Green trees and bushes are everywhere and vines grow so fast you can see it. In Doversa, castles are carved out of mountains and cliffs of red sand tower above the valleys. In Doversa, trees talk and move and laugh and dance. Welcome to a world where love is stronger than hate and good wins over evil. This breathtaking story is filled with anticipation and accomplishment, and a little hint of love. It is a great story for all who fantasize about heroic rescues and heroines that are honest, pure and true. Welcome to my world of fantasy, in The Morning Star. (G. Davidson (Author)
