The second book in the series that answers some of the cunning questions children ask about God (Allah).

Have you ever wondered what the Prophet Muhammad believed before he became a prophet, why he is so important, or why he is praised so often? You might wonder how he treated animals and children or if he performed miracles. All of these questions, and many more, are explored inside. Ozkan Oze was born in Turkey in 1974. While at high school, he started working at Zafer Magazine's editorial office in Istanbul and discovered his love of literature and books. Since then he has gone on to become the editor of Zafer Publications Group.

Have you ever wondered why the Qurān is in Arabic, why it was revealed over 23 years or how people can be so sure it has never been changed? You might want to know some miracles of the Qurān, or to read about the science in the Qurān. All of this, and much more, is explored inside.

Like the 26 miles deadly dreadful road leading up to Chaco canyon in New Mexico signs and symbol are surrounding the remote Minaret of Jam, like the Master Blaster Jamming it has taken over an almost impossible 36 years up until this point and there is still faith we will reach, for we have been given the signs... Like the National Museum of African American History grand opening, this book of wonder is the greatest work of literature since Holy Quran, it's a response to the call of bible/Quran, dedicated to the spirit of Benjamin Banneker and all the ancestors who fought and died for our liberation. in The Name Of Allah: it is the call to prayer, the final call, we are grateful for this blessing, our contribution to a great black legacy set forth by the builders of the great pyramids, this work was 36 years in the writing. May the Gods be pleased...it is an answer to the message in the music of the Major Prophets, it is wisdom of the Rastafari movement, the essence there of: it is The Holy Book of Wonder.

Have you ever wondered about Allah? Have you ever wanted to ask why Allah created the universe and humans? Why some people are beautiful, ugly, disabled, or ill? These questions, and many more, are explored inside. Ozkan Oze was born in Turkey in 1974. While at high school, he started working at Zafer Magazine's editorial office in Istanbul and discovered his love of literature and books. Since then he has gone on to become the editor of Zafer Publications Group and continually writes. He is married with two children.

Learn crucial topics and ideologies regarding Islam. Great for all seekers of knowledge, Islam, non-Muslims and Muslims who want to know more regarding their religion. Fantastic for beginners, great for Shiekhs... Insha-ALLAH [if ALLAH (s.w.t: glorified is ALLAH and exalted) permit], whatever may happen, continue reading this book until and before the moment of death arrives when all charitable actions terminate. At the present moment, countless wars are being fought, martyrs are sacrificing every second of their ephemeral lives, and countless other innocent people are being massacred hourly regarding the TRUE knowledge that is contained within this book. This knowledge encompasses and receives priority over and above all forms of knowledge. To their detriment, with utter carelessness and disregard for your SOUL'S eternal future (which is more IMPORTANT than your body's physical future), others have chosen to conceal this drastically important and highly pertinent knowledge without any remorse whatsoever. Via my weaknesses I was unable to complete & distribute this truly eternal LIFE-SAVING knowledge to you sooner. In your prayers, I humbly request for you to please seek forgiveness for me from ALLAH (s.w.t: glorified is ALLAH and exalted). Maa-sha ALLAH (by the will of ALLAH, s.w.t: glorified is ALLAH and exalted), after an extremely anxious and highly anticipated long wait, I have completed this painstaking yet noble undertaking! True knowledge, when implemented- metamorphoses into a divine light for the individual in this life and the hereafter. Insha-ALLAH, if ALLAH (s.w.t) permit and accepts our pure, sincere and truthful intentions to learn, implement and propagate this true knowledge, the angels will spread their wings beneath our feet, our levels of belief will increase, we will receive Hidayat (divine guidance) and become means for others to receive hidiyat (divine guidance). Innumerable tangible and intangible blessings will be showered upon us and we will attain more Rahma (mercy) from ALLAH (s.w.t). Henceforth, this Rahma (mercy) will enable us to enter the highest Jannah (paradise) which is Firdaws. Abdul Ghafur (The Slave of The All Forgiving)

When kids ask about Allah, they ask wholeheartedly and sincerely. This book answers the questions of kids about Creator with the level of their understanding. This book is not only for kids and young ones, but also adults can find their own answers. This book is not just for Muslims and believers, even it is good for someone who has doubts about the existence of Creator. Those are the questions that you will find answers in the book: Why can't I see Allah? How great is Allah? Where is Allah? "Okay then, who created Allah!?" What Kind of a Being is Allah? Why is there one God? How can He do so many things at once? Why Does Allah Create Trees to Create Fruit? If "Allah Creates" What Does Nature Do?
