Melanie Cooper and Angie DeLaura's Fairy Tale Cupcakes bakery is gearing up for Valentine's Day. Unfortunately someone has iced Baxter Malloy on his first date with Mel's mother. Now Mom's a suspect, and Mel and Angie need to find time around frosting to dig into the man's shady past and discover who served him his just desserts.

A Guide to Craft Brewing explains how to brew your own beer in clear and straightforward terms, making this popular and rewarding hobby accessible to all. This practical book covers twenty-eight types of malts, thirty-one adjuncts and thirty-three hops, and includes how to treat water to match a beer type and yeast necessary to create your own unique style. It explains each step for the novice with tips and advice, but also includes advanced techniques and ideas for the more experienced home brewer.

A heart-warming tale of courage and conviction from India ' s biggest-selling woman author Two decades ago, when Sudha Murty approached a group of devadasis for the first time, determined to make a difference to their lives, they threw a chappal at her. Undeterred, she went back, telling herself she must talk to the devadasis about the dangers of AIDS. This time, they threw tomatoes. But she refused to give up. The Infosys Foundation worked hard to make the devadasis self-reliant, to help educate their children, and to rid the label of the social stigma that had become attached to it. Today, there are no temple prostitutes left in the state of Karnataka. This is the powerful, inspirational story of that change initiative that has transformed thousands of lives.

Fowler: My Autobiography is a personal and honest account of a phenomenal life in football by goal-poacher Robbie Fowler. Pronounced as the greatest goal scoring talent since Jimmy Greaves, seventeen-year old Robbie Fowler was immediately catapulted to fame and fortune. The thin, baby-faced Toxteth lad, who had trampled the same streets as the rioters, was now a millionaire, an idol and inspiration to every kid who kicked a football. Yet his incredible potential was never quite realized. Injuries and persistent rumours of drug abuse and depression meant that though Fowler remains one of the most celebrated of Premiership stars, he never became the world-beater so many predicted. This is a fascinating and unbelievably frank insight into the beautiful game, taking us behind the closed doors of professional football to expose what really happens at both club and international level. This is a truthful and candid account of an incredible career, examining not just the records and the glory, but the low points and the miseries of a footballing life that many people now believe somewhere, somehow went wrong. Brilliance and controversy have stalked Robbie Fowler from his five goal performance in only his second full game for Liverpool, to his snorting of the touchline in the Merseyside derby. In this utterly compelling autobiography, Robbie Fowler looks back on what was, what wasn't and what might have been. This is the story of one of the game's true icons, and the story of the modern game itself.

As a yacht stew for over 20 years, the author has traveled the world and served on world-renowned yachts, and has provided yacht owners and charter guests with the most memorable holidays imaginable. Publisher's Note: This is the B&W version of the print book. In THE YACHT GURU'S BIBLE, the author shares her unique expertise, practical tips and guidelines, insider knowledge, and provides the reader with photos, illustrations, checklists, and more. With the same grace and generosity that she has shown through her years of service onboard, this book will teach you how to elevate your hospitality skills and excel on a luxury yacht. Learn the essentials to not only professionally succeed but to also live the life of your dreams. "As her editor for the past seven years, I learn something new every month when her column arrives. Alene Keenan's ambition goes well beyond training stews and is really about not just educating them, but teaching them how to think. Being a yacht stew is her calling, her mission, her faith, in a way." -- Lucy Chabot Reed, Editor, THE TRITON -- B&W ILLUSTRATIONS AND PHOTOS -- Review of Latest Training Requirements -- Inside Scoop of What It's Like to Be a Yacht Stew -- Detailed Instructions to Help Hone Your Service Skills

Ask Dr. Mueller captures the glamour and grittiness of Cookie Mueller's life and times. Here are previously unpublished stories - wacky as they are enlightening - along with favorites from Walking Through Clear Water in a Pool Painted Black and other publications. Also the best of Cookie's art columns from Details magazine, and the funniest of her advice columns from the East Village Eye, on everything from homeopathic medicine to how to cut your cocaine with a healthy substance. This collection is as much an autobiography as it is a map of downtown New York in the early '80s - that moment before Bright Lights, Big City, before the art world exploded, before New York changed into a yuppie metropolis, while it still had a glimmer of bohemian life.

Contains worked solutions to almost all end-of-chapter problems featured in the book. This title is useful as a resource for those lecturers who wish to use the extensive selection of problems featured in the text to support either formative or summative assessment, and want access to the solutions to these problems.

Very few books explore the problems which are particular to the relationship between Specialist Contractors and the Main Contractor, or Clients with whom they are in contract. Fewer still provide solutions in such a down to earth no-nonsense way as The Streetwise Subbie does. The Streetwise Subbie is a highly regarded practical guide to contractual matters. Its original author Jack Russell was well known for his 'contractual terrier' column in Electrical Times. Now, Barry Ashmore has updated and revised this work by drawing on his 46 years of construction experience and professional expertise gained at the sharp end resolving disputes and solving contractual problems for Specialist Contractors. Thousands of subbies have already benefited from the insights and the streetwise approach to avoiding or resolving contractual problems, and the clarity of thought and advice the book provides. The fourth edition features all the old favourites such as payment, delay and disruption, extension of time and the all-important checklists and site records. But it has now been brought bang up to date to reflect the importance of the 2011 revisions to the Construction Act and the emergence of adjudication as the pre-eminent means of dispute resolution. It is an easy to read, practical, and essential guide, aimed at Specialist Contractors of all sizes and specialisations, be they sole traders, company directors, or any member of the subbie's team that has to handle the commercial and contractual aspects of the projects they undertake. It's the kind of book that you keep handy, because it has so many answers that you can refer to it over and over again.

Packed with diagrams, instructions and tips, a companion guide takes the photographer deep into Nikon's advanced but complicated Creative Lighting System, covering every flash unit and its features, explaining how each functions with specific cameras and including insider techniques from photographers who shoot with the camera. Original.

PERFECT BOUND, GORGEOUS SOFTBACK WITH SPACIOUS RULED PAGES. LOG INTERIOR: Click on the LOOK INSIDE link to view the Log, ensure that you scroll past the Title Page.
