For almost two thousand
years, there have been
countless books written
about our Lord; books by the
authors of the four Gospels

and the early church fathers, which tell of his words, his actions, and his miracles; books which tell of how he changed the lives of the authors and how he continues to change lives of their readers; and books

which build on what he said and did called historical novels. I guess that this little short story is one of those. What If Jesus Did Have a Dog? One night, when I couldn't sleep, a very strange thought came to me.

Where To Download Isuzu 6hk1 Engine Parts Manual

For some reason, I began to wonder, whether or not, Jesus may have had a dog. I've had a number of wonderful dogs in my life, and I can't think of a better pet, or a more loving friend. I once saw a comment

written on a wall that said,
"God spelled backwards is
still your best friend."

Dogs, like God himself, love
unconditionally. And like
God, they are always ready
to forgive us. Even many
centuries ago, dogs were

held in great esteem by many people. The wealthy and powerful kept dogs mostly for protection, but ordinary people believed that dogs could be wonderful helpers and companions, as well as dear friends. This is a

story about the birth of
Jesus and the dog that he
may have had.
