The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Maestro Giacomo Puccini first introduced Italians to the California Gold Rush of 1849 with his opera "La Fanciulla del West." Now Professor Giovanni Tempesta with his brilliant Italian rendition of Robert Service's best rhymes welcomes Italians, Italian-Americans, and students of Italian to the less known and yet magical and romantic world of the 1898 Klondike Gold Rush in the Yukon territory. You will meet such unforgettable characters as Sam McGee, Dan McGrew and the Lady that's known as Lou. You will enjoy the Midnight Sun, the Golden Lights and the savage beauty that is "The Spell of the Yukon." Tempesta's vivid Italian version of Service's poetry begs to be recited out loud, read and re-read and read yet again.

Dispatched by the district attorney to a declining Massachusetts neighborhood to address a case related to a new public relations campaign, state investigator Win Garano becomes involved with a loosely organized association of vigilante police officers.

Widely respected yoga teacher and author Richard Rosen draws on ancient yoga encyclopedias to explain how yoga was practiced before it became popular in the West. He compares the three main existing sources known to yoga scholars to describe how complex and rich the practice of yoga once was. It included systematic teachings on personal hygiene, good health, and good relationships, and other practices of yoga that went far beyond just the physical postures. Each section of the book offers a guided practice session of ancient poses and breathing techniques to enable readers to connect to the roots of their yoga and to offer a framework from which to understand the sequences they use in their regular sessions.

A shifter detective 's case heats up when he meets the one woman who could expose his secret—or seduce his wild side—in this steamy paranormal romance. Dr. Emily Drake's psychotherapy patients tend to be a little unusual. Instead of midlife crises and mother fixations, Emily treats vampires with blood phobias and sex-demons looking for meaningful relationships. But healing these powerful beings requires an important rule: Never trust a shifter. Especially not one like Detective Colin Gyth. Helping him catch a killer won ' t be easy—especially when his gold-flecked eyes and predatory air make Emily long to lose control. Colin can't believe the doctor he has to work with on the Night Butcher murder case is the one person who could expose his true identity as a wolf shifter. Smart and sexy, Emily brings out the alpha male in Colin, unleashing a wild desire that takes them both over the edge But in the shadows, the Night Butcher waits, eager to spill Emily's blood and taste her terror. And he'll use any means to destroy her, including the one person she has grown to trust . . . "Highly sensual and definitely dangerous." —Shannon McKenna "A cross between CSI and Medium, only hotter and with a hero that truly has bite!" —Jacquelyn Frank
