Are standards dropping? Are the results real or have they been manipulated? How is our education system doing? Are we meeting the development goals? What should the matriculation examination of the future look like? participants from government (national and provincial),

This volume examines Educational Change in South Africa, a country undergoing rapid social and political change, and situated geographically, historically and culturally in the South.

The search for a means to an end to apartheid erupts into conflict between a black township youth and his "old-fashioned" black teacher.

Study & Master Life Sciences Grade 10 has been especially developed by an experienced author team for the Curriculum and Assessment Policy Statement (CAPS). This new and easy-to-use course helps learners to master essential content and skills in Life Sciences. The comprehensive Learner's Book includes: * an expanded contents page indicating the CAPS coverage required for each strand * a mind map at the beginning of each module that gives an overview of the contents of that module * activities throughout that help develop learners' science knowledge and skills as well as Formal Assessment tasks to test their learning * a review at the end of each unit that provides for consolidation of learning * case studies that link science to real-life situations and present balanced views on sensitive issues. * 'information' boxes providing interesting additional information and 'Note' boxes that bring important information to the learner's attention

From best-selling author Holly Webb comes a brand new series full of mystery and intrigue following the adventures of a very determined heroine and her dog! Holly Webb fans will be thrilled to pieces to discover the adventures of Maisie Hitchins, the pluckiest little detective in Victorian London. Maisie Hitchins lives in her grandmother's boarding house, longing for adventure. She idolizes the famous detective, Gilbert Carrington, and follows his every case. But Maisie is about to be given the opportunity of a lifetime: her own mystery to solve! In the first book in this fantastic new series, Maisie rescues a puppy in peril whilst running an errand, and adopts him. She decides to investigate the puppy's original cruel owner, but instead gets tangled up in an intriguing plot involving stolen sausages, pilfered halfpennies and a fast-paced bicycle chase. The streets of Victorian London are never safe, but Maisie's on the case!
