Never Annuitize : What Your Agent Never Told You

If you buy an annuity and annuitize, the insurance company might pay you \$443 per month (or \$5,316 per year) for the rest of your life. That amounts to a 5.3% starting withdrawal rate. But your number may be different, depending on some of the options described below.

What Does It Mean to Annuitize? - The Balance

The agent recommended an expensive variable annuity with lots of bells and whistles for Mel. This involved investment of a lump sum, which could then be allocated to different balanced investment accounts. While the variable annuity allowed for growth, it also guaranteed that Mel would never lose more than his initial investment.

To Annuitize or Not to Annuitize | Concierge Financial ...

Over 90% of all annuities are never annuitized. Generally, your variable annuity will continue to grow over time, but annuitization can be an attractive option if something terrible happens to the underlying sub-accounts to which the value of your annuity is linked. However, more common scenarios may also warrant consideration of annuitization.

Insurance educator John Radjenovich gives you an inside look at the life insurance industry in his new book, "Never Annuitize." Don't get suckered in by slick advertisements promoting insurance "professionals" and an industry out to get profit at the sake of yours. While there are honest agents out there, Radjenovich says they may not be totally aware of the financial implications of what they're trying to sell. Learn the different types of life insurance available and get pointers on what to

consider when choosing a policy. By clearly describing concepts such as dividends and breaking down annuities, Radjenovich explains how they may work against you, rather than help you, depending on your policy. He attacks companies' commercials claiming that they've paid out billions of dollars in dividends to policyholders, claiming it does nothing but mislead the consumer. Not knowing enough may lead you into a situation where you are borrowing cash that you assumed was yours. With two decades in the business, Radjenovich will show you how to avoid that mistake and many others. Know what you're buying and make your cash work for you with "Never Annuitize."

Explains and evaluates the various alternatives, from money market funds to common stocks, available to investors for achieving a good return on their money with minimal risk, and shows how to choose the right means for specific financial needs.

Learn everything you need to do in the next five years to create a realistic plan for your retirement with clear, practical advice that is sure to set your future up for success. Most people don't realize they haven't saved enough for their retirement until their sixties and by then, it's often too late to save enough for a comfortable retirement. The 5 Years Before You Retire has helped thousands of people prepare for retirement—even if they waited until the last minute. In this new and updated edition, you'll find out everything you need to do in the next five years to maximize your current savings and create a realistic plan for your future. Including recent changes in financial planning, taxes, Social Security, healthcare, insurance, and more, this book is the all-inclusive guide to each financial, medial, and familial decision. From taking advantage of the employer match your company offers for your 401k to enrolling in Medicare to discussing housing options with your family, you are completely covered on every aspect of retirement planning. These straightforward strategies explain in detail how you can make the most of your last few years in the workforce and prepare for the future you've always wanted. Whether you just started devising a plan or have been saving since your first job, The 5 Years Before You Retire, Updated Edition, will tell you exactly what you need to know to ensure you live comfortably in the years to come.

NOW COMPLETELY UPDATED to reflect the changes in tax legislation, health insurance, and the new investment realities. In this "highly valuable resource" (Publishers Weekly, starred review) Quinn "provides simple, straightforward" (The New York Times) solutions to the universal retirement dilemma—how to make your limited savings last for life—covering mortgages, social security, income investing, annuities, and more! Will you run out of money in your older age? That's the biggest worry for people newly retired or planning to retire. Fortunately, you don't have to plan in the dark. Jane Bryant Quinn tells you how to squeeze a higher income from all your assets—including your social security account (get every dollar you're entitled to), a pension (discover whether a lump sum or a lifetime monthly income will pay you more), your home equity (sell, rent, or take a reverse mortgage?), savings (how to use them safely to raise your monthly income), retirement accounts (invest the money for growth in ways that let you sleep at night), and—critically—how much of

Read Online Never Annuitize What Your Agent Never Told You

your savings you can afford to spend every year without running out. There are easy ways to figure all this out. Who knew? Quinn also shows you how to evaluate your real risks. If you stick with super-safe investment choices, your money might not last and your lifestyle might erode. The same might be true if you rely on traditional income investments. Quinn rethinks the meaning of “income investing,” by combining reliable cash flow during the early years of your retirement with low-risk growth investments, to provide extra money for your later years. Odds are, you’ll live longer than you might imagine, meaning that your savings will stretch for many more years than you might have planned for. With the help of this book, you can turn those retirement funds into a “homemade” paycheck that will last for life.

From one of America’s most trusted financial advisors: a guide to making the most of your retirement plans and assuring long-term financial security. Everyone knows that investing in your retirement is important. Yet only half of all eligible Americans contribute to a retirement plan. That’s because 401(k)s, 403(b)s, 457s, and IRA plans are complicated, confusing, and costly. New York Times bestselling author and acclaimed financial advisor Ric Edelman has counseled thousands of savers and retirees, and has accumulated his advice in this book. Edelman has created a step-by-step guide. With illuminating examples and simple explanations, he shares everything you need to know as a plan participant: how much you need to retire comfortably, how to make wise choices among your investment options, and how to maximize the benefits of your 401(k). Along the way, he debunks the myths and clears up the confusion.

Never Fall Victim to Wall Street Again Recently, most people have been victimized by the revenue generating machine that is Wall Street. The truth is, Wall Street only cares about making the most revenue they can from you. You will learn: The 20%/65% rule of investing in both bear and bull markets. When and why to move your investments to cash. Why agency relationships and suitability are a far cry from fiduciary responsibility. How to convert your IRA to a tax-free Roth IRA using either a Home Equity Line of Credit, a Reverse Mortgage, or a Real Estate Option. A way to pay off your 30-year mortgage in ten or eleven years. How you can get rid of credit card debt in months, not years. Why segmenting your money and using principal for income may put you in a lower tax bracket. How to do a background check on your financial advisor annually. What to look out for in regard to outlandish performance claims by financial advisors. The strategies presented herein will teach you how to have a consistent process and a plan for your success. You will never again fall victim to Wall Street's shenanigans.
