true masters of suspense, including five New York Times bestsellers and a number of Edgar Award nominees, all edited by none other than R. L. Stine, nothing is what it seems. From cannibalistic children, to an unwitting date with a vampire, to a crush on a boy who just might be a werewolf, no scary stone is left unturned. A must-have for all fans of the genre!

Dana Fear isn't thrilled about spending her senior year at Shadyside High. The Fear family history goes way back in this town, and she's not so into lugging around the baggage. But then she gets in with the Night People. Shadyside's pretty cool when it's three a.m. and you're chilling at a bar called Nights with your new best friends. Until the evil returns, and the Night People start mysteriously disappearing one by one. Dana swears she has nothing to do with it. But all fingers point in one direction. Because there is, after all, a new Fear in town....

Cari Taylor and her three friends are looking forward to a "party summer," working at The Howling Wolf Inn, an old hotel on a tiny island off Cape Cod. But to their dismay, the hotel is completely deserted, and someone warns them to leave immediately. But the mysterious owner, Simon Fear III, allows Cari and her friends to stay, giving them the run of the hotel. The four teenagers are thrilled...until Simon Fear is murdered. Cari and her horrified friends want out—but they can't escape! They're trapped on the island. And that's when the "party" begins...

The New York Times bestselling author of the Goosebumps and Fear Street series delivers a terrifying horror novel for adults centered on a town in the grip of a sinister revolt. After travel writer Lea Sutter barely survives a merciless hurricane on a tiny island off the South Carolina coast, she impulsively brings two orphaned twin boys home with her to Long Island. Samuel and Daniel seem amiable and intensely grateful at first, but no one in Lea's family anticipates the twins' true evil nature—or predicts that within a few weeks' time her husband, a controversial child psychologist, will be implicated in two brutal murders. "The horror is grisly" (Associated Press) in legendary author R.L. Stine's "creepy, fun read" (Library Journal)—an homage to the millions of adult fans who grew up reading his classic series and a must-read for every fan of deviously inventive chillers.

Plagued by nightmares and hallucinations after a car accident kills her father, Lisa takes a seemingly straightforward babysitting job to distract herself only to discover horrifying truths about her young charge. By the best-selling author of the Goosebumps series. Simultaneous eBook.

When you can't sleep, there's always NIGHTS. It all started with Lewis and Jamie. They were sneaking out late at night to be together. Then their friends started joining in. First at the old burned-down Fear

Mansion. Later at the local bar Nights. They called themselves the Night People. And they carefully protected their secret world. No parents, no work, no stress. Just chilling with friends in their own private after-hours club. But then the nights turned dark. Unexplainable accidents, evil pranks...and then, later, the killings. The Night People know they have to stop the horror all by themselves, or else they risk exposure -- not to mention their lives. Things go bump in the Night....

Sneaking out every night to join her friends in a series of pranks, Diane becomes alarmed when her boyfriend, Lenny, plays a joke on a hated teacher that proves fatal, and she realizes that she and her friends have gone too far.

Generations of children and teens have grown up on R.L. Stine's bestselling and hugely popular horror series, Fear Street and Goosebumps. Now, the Fear Street series is back with a chilling new installment, packed with pure nightmare fodder that will scare Stine's avid fan base of teen readers and adults. New student Lizzy Palmer is the talk of Shadyside High. Michael and his girlfriend Pepper befriend her, but the closer they get to her, the stranger she seems... and the more attractive she is to Michael. He invites her to join him on a snowmobile race that ends in a tragic accident. Soon, Michael's friends start being murdered, and Pepper becomes convinced that Lizzy is behind the killings. But to her total shock, she and Michael are drawn into a tragic story of an unthinkable betrayal committed over 60 years ago. Frightening and tense in the way that only this master of horror can deliver, *The Lost Girl* is another terrifying Fear Street novel by the king of juvenile horror. "A nostalgia trip for the original fans of Fear Street." - Kirkus Reviews
