these practical

are often not

done or taken

lightly, for

several reasons.

First, people

don't realize

how easy they

are to do.

Second, and more

fundamental,

Online Library

Physics

they are not done because it does not occur to people to do them. Finally, and tragically, no one in their elementary, middle, or high school educational experience has stressed the importance of

Online Library Physics

doing them, and
of course
neither did they
