LESS BLAH BLAH - MORE AH HA - How Social Savvy Real Estate Agents Become Trusted, Preferred, Referred -- and Rewarded. This Book Is for YOU If You Relate to One or More of These Groups. Lifelong Learners are always stretching, growing, and searching for interesting ways to renew and enhance their value. The strategies in this book will contribute to your ongoing curiosity and desire to excel mentally, creatively, and professionally. Aspirationalists like to soak up fresh information, engage in new experiences, and glide forward towards mastery. In this book I'm offering you some new ways of thinking and acting that will help catapult you to higher, more tangibly rewarding levels of success. Temporary Strugglers feel frustrated and stuck? You're determined to succeed, but no matter how hard you work, it seems your sincere efforts lead to dead-end rejection and stuck-going-nowhere stress. What I want to assure you is this: It's not your fault!! More importantly, there's nothing wrong with you. The problem is that you've been mistaught, or you've on-your-own stumbled into the soul-sucking quicksand of doing the wrong things with the wrong people at the wrong time. In this book I share how you can immediately begin to enjoy the personal rewards of respect, trust, sweet success, and an income equal to your goals. Here's The Problem . . . Hateful real estate market conditions are traumatic enough without the compound fracture of sizzling competition and sky-high consumer expectations. Old school selfish-selling styles, along with chasing strangers, spamming friends, capturing leads and other unattractive behaviors, cause you and me and hundreds of thousands of real estate agents to struggle for relevance, value and self-respect. Here's The Solution . . . My book shines a flood light on how to create modern success and self-respect by focusing on others; how to listen, share, communicate and serve real people in the real world - a place where selfish sales strategies, arrogance and insensitivity are shunned. I'll lead you through the three stages of Social Savvy Success. In Stage One you discover the philosophical foundations for becoming more visible, choosable, and referable. In short, how to attract, instead of chase. In Chapters One to Eight you'll learn precisely what business you are really in; The Two True Secrets to Success; and the high-impact dynamics of Top of Mind Awareness. But as we all know, it's not enough just to know what to do. Most fail to get where they're trying to go because they get in their own way. Stage Two of the book acknowledges and addresses the self-imposed emotional and mental obstacles that stop us moving forward. Chapters Nine through Thirteen cover how to face and consciously-conquer subconscious fears; slay self-doubt; why it's wise to use psychographics to connect with your tribes, networks, and niches; what The Golden Rule 2.0 is all about, and why we can't win without it. Of course no modern book would be complete without a chapter on how to ride the social media wave; enhance character-confirmation: and become discoverable, findable and sharable (aka, how to become omnipresent). Once we know how and why things work and how to get out of our own way, it's time to apply some practical, simple-to-follow ideas that will help you attract, discover, and create new opportunities. Stage Three (Chapters Fourteen to Twenty-Three) shares forty instantly implementable action events that put everything you've learned into play - becoming trusted, choosable, referable - and rewarded. Ready to get STARTED? Buy the book and away we GO, GO, GO.

In The Book of YES, you will find the most powerful scripts in the real estate industry today. If you're tired of the same old sales scripts or if you've done away with them all together, I know how you feel because I've been there. I was tired of seeing the same B.S.(bad sales) approaches and I wanted something that felt more natural for me. So I started creating my own scripts, for the simple reason that I hated being told, "No." For me nothing was worse than that feeling of rejection. I was determined to figure out the perfect thing to say in every situation, and how to say it in a way that would cause sellers and buyers to want to say "Yes!" to me every time. This book is the result of that quest. And I've broken it in two unique parts so you can spend less time reading it, and more time using the life changing scripts inside. Part 1 will give you the foundation for making the scripts work for you. Not just some of the time, but every time! You'll master how to inspire sellers to say "YES" to you giving you the magic key to unlock the success you want as a real estate agent. Part 2 Is the actual scripts that allow you to have smooth, choreographed conversations that lead you down the path to more success and more income. included in this section are... Prospecting scripts for sellers that lead up to the listing appointment. My unique Listing Presentation Scripts with examples of exactly how to deliver them for maximum impact. The Buyer Scripts that I've personally used for years to build my own real estate business from scratch. The Objection scripts that will show you how to overcome any objection with ease and never be scrambling for words when a client throws you a curveball. In all there are 27 scripts in this book that will show you how to handle any situation, conversation, and objection that might come your way. And each script has been tested, tweaked and perfected. How do I know this? Because I've used each and every one of them to close millions of dollars worth of real estate in my nearly 2 decade career. I've also taken the time to include things I've picked up over my career that will help take you beyond the scripts... How to identify resistance and influence triggers so you can naturally use the right words and phrases that gets more clients saying YES to you. My practice techniques for memorizing and using these scripts to their full impact. You won't just be pulling words from your memory, you'll be speaking from the heart so you come across as genuine. The "tiny tweaks" that turn a regular script into something powerful. These seemingly little differences can have a huge impact in the way a prospect or client responds to what you say. The 9 Keys to more powerful conversations that go way beyond just the words you say to a client. I've mastered all 9 of these techniques and each one has made a huge difference in how I present myself to clients. The Book of YES is an action guide, not a book of theory. Think of it as YOUR PLAY BOOK for the key conversations you have with sellers and buyers. Along with the scripts you will find tactical notes on how to use the script, why it works, and when to modify the script for various situations. This book is not about intimidating your clients to agree with you, it's about inspiring them to say YES. And the more they do, the more abundance and success you will have in your life. The ultimate YES is saying YES to your goals, your dreams and your family so you can create the lifestyle that you want.
