Forced to flee his home and family, twelve-year-old Will Ritter falls in with the Undertakers—a rag-tag army of teenage resistance fighters who've banded together to battle the Corpses. Praise for Ty Drago: "...The author hardly sets a foot or a word wrong." ¶Publishers Weekly "More, if you please, Mr. Drago." ¶Booklist

¶Undertakers: Rise of the Corpses on Apple Books

¶The Undertakers ¶ Rise of the Corpses¶ is not your average horror novel. It's dark and haunting like most horror stories, but what really makes it stand out is how it mixes in drama, mystery, action and a bit of romance and science fiction. With its terrifying twists and monstrous antagonists it never loses focus of how serious the story is.

The Undertakers: Rise of the Corpses: Rise of the Corpses ...

Once an undertaker has taken a dead person back to their mortuary, there are three things to be done: 1. Slow the process of decomposition by keeping the person who has died refrigerated 2. Wash and dress the body 3. Get the person who has died ready to be visited Some undertakers recommend embalming, others don't.

How do undertakers care for the dead?

It's at Haven where he meets the leader of The Undertakers. They are a group of kids who can see what nobody else can see, that people all over the city are dead, they call them corpses. Zombies are slow and dumb, corpses are aliens who have taken over a dead body.

Undertakers : The Rise of the Corpses - Book Depository

Rise of the Corpses is the first book in the Undertaker series by Ty Drago. It is a 480-page kids fantasy/science fiction novel for middle graders. Filled with action, some violence, and lots of drama.

When the living dead invade Philadelphia, Will Ritter and a group of teenage resistance fighters, known as the Undertakers, are the only ones that can see them to stop the invasion.

"On a sunny Wednesday morning in October, a day that would mark the end of one life and the beginning of another, I found out my grouchy next door neighbor was the walking dead. When you turn around expecting to see something familiar, and instead see something else altogether, it takes a little while for your brain to catch up with your eyes. I call it the 'Holy Crap Factor.'" Forced to flee his home and family, twelve-year-old Will Ritter falls in with the Undertakers—a rag-tag army of teenage resistance fighters who've banded together to battle the Corpses. Praise for Ty Drago: "...The author hardly sets a foot or a word wrong." -Publishers Weekly "More, if you please, Mr. Drago." -Booklist

The Corpses are up to something. U.S. Senator Lindsay Michalek has been kidnapped and replaced with a "dead" ringer—the sister to Lilith Cavanaugh, the Queen of the Dead. Now, Will Ritter must go undercover in our nation's capitol to ferret out the truth and try to stop this ambitious deader. But his mission becomes even more dangerous when he learns of a mysterious 10-legged monster that prowls the halls of the Capitol Building—a lethal monster with a taste for Corpse flesh. Focusing more on scares and suspense than gore, the latest installment in this unforgettable zombie series will satisfy cravings in the hungriest of horror-minded young readers.

The Corpse War is over. Or at least Will Ritter thought the war was over. But Will quickly changes his mind when he is led through a doorway in time and finds himself in a future where the Earth has been all but destroyed. The Corpses, alien invaders who wear the dead like suits of clothing, have returned in horrific numbers. In the wake of their destructive onslaught, a rag-tag group of survivors with some of Will's now grownup friends among them is all that's left of mankind. Will must take part in a desperate, last ditch effort to rewrite history, prevent the Second Corpse War from ever happening, and defeat this evil that has consumed mankind once and for all. But victory, if such a thing is even possible, carries a heavy cost.

While away on an undercover mission, Undertaker Will Ritter has made an unthinkable alliance...with a Corpse! But though Robert Dillin (aka 'The Zombie Prince') is indeed one of those alien invaders who animate and possess the bodies of the dead -- unlike the rest of his kind, Dillin isn't evil. In fact, he wants to help. And Will needs that help, because the Queen of the Dead has learned the location of Haven, the Undertakers' secret HQ, and is planning a massive and deadly assault. With the last day of the Corpse War finally upon them, Will and his friends find themselves in a desperate race to close the Rift between worlds and forever kill the Corpses. But can they do it before Haven is overrun? For that matter, can they do it at all?

This manual will ensure that the management of massive fatalities forms part of disaster preparedness and response plans, and that it is a fundamental aspect of humanitarian assistance to survivors and rehabilitation and reconstruction programs. The manual provides the technical information that will support the correct approach to handling dead bodies. Contents: Preparedness for mass deaths; Medicolegal work in major disasters; Health considerations in cases of mass fatalities; Sociocultural aspects; Psychological aspects; Legal aspects; Cases studies; Final recommendations; Myths and realities of management of dead bodies in disasters; and Glossary. Illustrations.

"The Undertaker's Daughter is a wonderfully quirky, gem of a book beautifully written by Kate Mayfield. Her compelling, complicated family and cast of characters stay with you long after you close the book" (Monica Holloway, author of *Cowboy & Wills* and *Driving With Dead People*). How does one live in a house of the dead? Kate Mayfield explores what it meant to be the daughter of a small-town undertaker in this fascinating memoir evocative of *Six Feet Under* and *The Help*, with a hint of Mary Roach's *Stiff*. After Kate Mayfield was born, she was taken directly to a funeral home. Her father was an undertaker, and for thirteen years the family resided in a place nearly synonymous with death, where the living and the dead entered their house like a vapor. In a memoir that reads like a Harper Lee novel, Mayfield draws the reader into a world of haunting Southern mystique. In the turbulent 1960s, Kate's father set up shop in sleepy Jubilee, Kentucky, a segregated, god-fearing community where no one kept secrets--except the ones they were buried with. By opening a funeral home, Frank Mayfield also opened the door to family feuds, fetishes, murder, suicide, and all manner of accidents. Kate saw it all--she also witnessed the quiet ruin of her father, who hid alcoholism and infidelity behind a cool and charismatic façade. As Kate grows from trusting child to rebellious teen, the enforced sobriety of the funeral home begins to chafe, and she longs for the day she can escape the confines of Jubilee and her place as the undertaker's daughter. Mayfield fashions a poignant send-off to Jubilee in this thoughtfully rendered work" (Publishers Weekly).

It's gonna be a LONG night! The Undertakers are back in a special "in-between" adventure, one that drops Will Ritter, Helene Boettcher, and Dave "the Burgermeister" Burger into a desperate, life-or-death struggle with the Corpses. This time, the three of them are alone on the midnight streets of Philadelphia, facing a new deader plot that involves kidnapped kids, horrific mutant monsters, and an army of gruesome "smart" zombies dressed as doctors and nurses. Something really bad is going down. Yep, it's totally gonna be a long night! (This special "in-between" Undertakers adventure takes place between the novels *QUEEN OF THE DEAD* and *SECRET OF THE CORPSE EATER!*)

Only a woman with an iron backbone could succeed as an undertaker in Victorian London, but Violet Morgan takes great pride in her trade. While her husband, Graham, is preoccupied with elevating their station in society, Violet is cultivating a sterling reputation for Morgan Undertaking. She is empathetic, well-versed in funeral fashions, and comfortable with death's role in life--until its chilling rattle comes knocking on her own front door. Violet's peculiar but happy life soon begins to unravel as Graham becomes obsessed with his own demons and all but abandons her as he plans a vengeful scheme. And the solace she's always found in her work evaporates like a departing soul when she suspects that some of the deceased she's dressed have been murdered. When Graham's plotting leads to his disappearance, Violet takes full control of the business and is commissioned for an undertaking of royal proportions. But she's certain there's a killer lurking in the London fog, and the next funeral may be her own. Equal parts courage, compassion, and intrigue, Christine Trent tells an unrestrained tale of love and loss in the rigidly decorous world of Victorian society. Praise for the novels of Christine Trent "Genuinely engrossing. . . with a rare Regency heroine who loves her work and does it well." Publishers Weekly on *By the King's Design* "Exuberant, sparkling, beguiling. . . brims with Dickensian gusto!" --Barbara Kyle, author of *The Queen's Lady* on *The Queen's Dollmaker* "Winningly original. . . glittering with atmospheric detail!" --Leslie Carroll, author of *Royal Affairs* on *The Queen's Dollmaker*

When Senator Lindsay Micha is kidnapped and replaced by the Queen of the Dead's sister, Will goes undercover in an effort to stop the zombie invasion.
