Ryobi has two different complete stringheads for the SS30 one is the 000998265 and the other is the UP04650A. I don't see that we carry the Easy Replacement Stringhead by Ryobi. The one we do provide is the Shindaiwa 78890-30000 SpeedFeed Head. Which is loaded the same way as the head that you are speaking of. Hope this helps,-WJA

Load new string in a Ryobi SS30 trimmer for cutting grass around a yard. The Ryobi SS30 is powered by a 2-cycle gasoline engine. The SS30 uses small diameter nylon trimmer string suited for cutting grass and weeds in areas around a lawn or landscape. The nylon trimmer string becomes worn and frayed over time with normal use.

For much of the past century college tuition has risen more rapidly than the inflation rate. Unlike many analyses of higher education, Archibald and Feldman show how broad economic factors have combined to push up cost. These forces are largely out of the control of colleges and universities.

Finding the man of your dreams can be a real nightmare.... As the future prima, or head witch of her clan, Angela McAllister is expected to bond with her consort during her twenty-first year, thus ensuring that she will come into her full powers at the appointed time. The clock is ticking down, and her consort has yet to make an appearance. Instead, her dreams are haunted by a man she ' s never seen, the one she believes must be her intended match. But with time running out, and dark forces attempting to seize her powers for their own, Angela is faced with a terrible choice: give up her dreams of the man she may never meet and take the safer path, or risk leaving her clan and everyone in it at the mercy of those who seek their ruin. (Book 1 of the Witches of Cleopatra Hill) witch, witches, witch clan, witch family, soul mate, fated mated, psychic, ghost, haunting, Halloween, Arizona, Jerome, mining town, free paranormal romance, free urban fantasy

In 1988, shortly after moving from Sydney back to his birthplace in the rural New South Wales hamlet of Bunyah, Les Murray was struck with depression. In the months that followed, the "Black Dog" (as he calls it) ruled his life. He raged at his wife and children. He ducked a parking ticket on grounds of insanity, and begged a police officer to shoot him rather than arrest him. For days on end he lay in despair, a state in which, as he puts it precisely, "you feel beneath help." Killing the Black Dog is Murray's recollection of those awful days: brief, pointed, wise, and full of beauty in the way of his poetry. The prose text—delicately balanced between personal and informative—gives a glimpse of the imprint that depression can leave on a life. The accompanying poems show their roots in his crisis—a crisis from which, he reports toward the close of this poignant book, he has fully recovered. "My thinking is no longer jammed and sooty with resentment," he recalls. "I no longer wear only stretch-knit clothes and drawstring pants. I no longer come down with bouts of weeping or reasonless exhaustion. And I no longer seek rejection in a belief that only bitterly conceded praise is reliable." Killing the Black Dog is a crucial chapter in the life of an outstanding poet.

When danger to the sheep leaves no alternative, a young Navajo boy breaks his promise to his father and is rewarded for his courage and good judgment.

Cardinal Education is an educational consulting and tutoring company based in Palo Alto, CA. Guided by a philosophy of fulfilling students' academic potential in a way that boosts skills and confidence for life, we work to maximize successful middle school, high school, and college admissions outcomes. While some of our methods defy " conventional wisdom, " we have a proven track record with a broad range of students: the Ivy League bound to those wishing to avoid community college, the self-motivated to the intransigently jaded, and the profoundly gifted to learning disabled. We have a passion for expanding students' dreams and helping them attain their goals.Cardinal Education believes in the social value of a strong public education system and sponsors pro bono programs to bring private sector expertise to bear. However, government fiscal policies are shortchanging public schools of opportunities: activities, sports, variety of classes, advanced classes, student: teacher ratios, and counseling departments. The " private school imperative " means that despite economic trends, admission to private school is becoming so competitive that it necessitates standardized testing excellence.The philosophy of this math workbook is rigor and drill. Because this is the first test students take that actively tries to trick students at every turn, students who sit for these standardized exams need reflexive familiarity with computation (math facts), problem types, and strategy. The entrance exams are the first standardized tests for which budgeting time is a significant issue. Students need to spend the majority of time on analysis to avoid getting tricked rather than computation. By building skills, speed, and confidence, we hope to eliminate anxiety and give students a solid foundation on which to build excellent scores.This book is intended as a supplement for our highly trained staff, so it does not include strategies. However, motivated students can use it successfully with occasional help from a teacher or parent. Each chapter is comprised of units, with each unit comprised of 4 problem sets of difficulty, increasing in a logically progressive manner. Students should do as many of the 4 problem sets for each unit as it takes to achieve a 90% accuracy rate. Students taking lower level exams should complete problems 1-10 in each set. Students competing for high school admissions should complete each problem set in its entirety. Questions or feedback: Info@CardinalEducation.com

Flotilla 13 is the elite naval commando unit of the Israeli Defense Forces that specializes in maritime-related combat and counter-terrorist missions. To maintain secrecy, few of its missions have, until now, been made public. With this book, the unit s commander, Rear Adm. Ze ev Almog, unveils the amazing story of Flotilla 13. For the first time he offers details of many of the unit s operations during the War of Attrition and the Yom Kippur War (1968 1973), including the raids on the Adabiya coastal post and the Green Island fortress that resulted in heavy casualties to the enemy and a strategic change in Israel s combat arena. He candidly discusses his unit s despair following failed operations prior to this period and describes how Flotilla 13 was transformed into a unit of high morale and performance. First published in Hebrew in 2007, this revealing account of what went on is now available in English.

A dark, harrowing novel about a nine-year-old girl's disappearance and the lasting impact it has on her close-knit community On an evening like any other, nine-year-old Katie Mackey, daughter of the most affluent family in a small town on the plains of Indiana, sets out on her bicycle to return some library books. This simple act is at the heart of The Bright Forever, a deeply affecting novel about the choices people make that change their lives forever. Fact, speculation, and contradiction play off one another as the details about Katie's disappearance--and about the townspeople--unfold, creating a fast-paced story that is as gripping as it is richly human. A nuanced portrayal of the complicated give and take among people struggling to maintain their humanity in the shadow of a loss, The Bright Forever is a compelling and emotional tale about the human need to know even the hardest truth.
