Sonic on the cover of Nintendo Power will never stop being weird. I wonder if the modern Sonic stages will be 2D like Rush, or if they'll stick with the 3D Unleashed/Colors style. I'm hoping for the latter, because, I never really cared for Rush, and also Colors style stages would look amazing in 3D.

New Sega 3DS titles confirmed: Sonic Generations, Shinobi ...

For a Saturn title Sonic R is quite the showpiece. The console often had trouble keeping up with the Nintendo 64 and even PlayStation in regards to 3D graphics, but this easily looks like something the latter would turn out even later in the generation.
