In this account of how the novel reorients philosophy toward the meaning of existence, Yi-Ping Ong shows that the existentialists discovered a radical way of thinking about the relation between the form of the novel and the nature of self-knowledge, freedom, and the world. At stake are the conditions under which knowledge of existence is possible.

With the visual ingenuity of *Press Here* and the emotional resonance of *What Do You Do with a Problem?*, this wise and timely book about the fragile art of personal connection will strike a chord with children and adults alike. In the era of social media, communication feels both more anxiety-producing, and more inescapable, than ever before. This clever, comforting picture book debut explores the challenges and joys of self-expression and social connection. Using an imaginative visual metaphor to bring to life how we send out (ping!) and receive (pong!) communications, Ani Castillo's words and pictures will empower and inspire anyone who has experienced the fear of sharing themselves with the world. With an artful, accessible package, an eloquent message, and a lot of heart, here is a new classic to bring courage and comfort to humans of all

Two cute edamame beans play the ping pong game of their lives and learn about friendship and the satisfaction of trying your best no matter what! Two edamame beans dream of becoming world table tennis champions. They train night and day until no one is able to defeat them... but who is the better of the two players? A playful and visually engaging book about the joys of sport and team playing. In the end, it's the taking part that counts!

A little duck finds adventure on the Yangtze River when he is too late to board his master's houseboat one evening.

This is a book of encounters. Part memoir, part essay, and partly a guide to maximizing your capacity for fulfillment and expression, *The Poetry of Everyday Life* taps into the artistic side of what we often take for granted: the stories we tell, the people we love, the metaphors used by scientists, even our sex lives. A folklorist, writer, and cultural activist, Steve Zeitlin explores how poems serve us in daily life and how they are used in times of personal and national crisis. In the first book to bring together the perspectives of folklore and creative writing, Zeitlin explores meaning and experience, covering topics ranging from poetry in the life cycle to the contemporary uses of ancient myths. "This convergence of poetry and folklore," he suggests, "gives birth to something new: a new way of seeing ourselves, and a new way of being in the world." Written with humor and insight, the book introduces readers to the many eccentric and visionary characters Zeitlin

has met in his career as a folklorist. Covering topics from Ping-Pong to cave paintings, from family poetry nights to delectable dishes at his favorite ethnic restaurants, *The Poetry of Everyday Life* will inspire readers to expand their consciousness of the beauty that resides in everyday things and to use creative expression to engage and animate that beauty toward living a more fulfilling awakened life, full of laughter. To live a creative life is the best way to engage with the beauty of the everyday.

Makoto “ Smile ” Tsukimoto and his friend Yutaka “ Peco ” Hoshino have been playing table tennis since they were kids, but as they enter high school, they find that the game has changed. Seeing potential in them that they themselves don ’ t fully realize, the coach recruits them for the school team. Bringing out their best will mean challenging the top players from rival schools in the summer tournament, including an ace Chinese exchange student who almost made the Olympic team. With the pressure on, can Smile and Peco take the heat and make it into the finals? -- VIZ Media
