The Blue Nowhere (2001) When a sadistic hacker, code-named Phate, sets his sights on Silicon Valley, his victims never know what hit them. He infiltrates their computers, invades their lives, and lures them to their deaths. To Phate, each murder is like a big, challenging computer hack: every time he succeeds, he must challenge himself anew— by taking his methodology to a higher level, and aiming at bigger targets.

Jeffery Deaver, New York Times bestselling author of *The Skin Collector* and *The Bone Collector* featuring popular forensic detective Lincoln Rhyme, delivers a masterful thriller about a psychotic computer hacker/killer packed with stunning and fact-based technical details and signature Deaver plot twists. People in Silicon Valley are dying. A mysterious, psychotic, and brilliant computer hacker, code-named Phate, is infiltrating their computer, invading their lives, and—with the perfect line, the perfect, personal detail—luring them to their deaths. Desperate, the head of the Computer Crimes Division frees Wyatt Gillette, imprisoned on his own hacking charge, to aid the investigation. Gillette has wrangled with Phate before and is glad to have his chance for revenge. But when the head of the CCD, and the man who hired him, is murdered, Wyatt must report to Frank Bristol, a grizzled homicide detective who favors old-fashioned sleuthing and forensic evidence to track killers. Together, Wyatt and Bristol make an unlikely team but with the same villain in their crosshairs, they ' ll have to learn to get over the generational, and technological, gaps. Filled with accurate technical details, a “ high-tension wired ” (People) mystery, and shocking surprises, *The Blue Nowhere* will keep you guessing the outcome to the very last page.

"One of Deaver's most diabolical villains." - New York Times Book Review "Deaver is the most creative, skilled, and intriguing thriller writer in the world." - Daily Telegraph A tragedy occurs at a small concert venue on the Monterey Peninsula. Cries of "fire" are raised and, panicked, people run for the doors, only to find them blocked. A half dozen people die and others are seriously injured. But it's the panic and the stampede that killed them; there was no fire. Kathryn Dance--a brilliant California Bureau of Investigation agent and body language expert--discovers that the stampede was caused intentionally and that the perpetrator, a man obsessed with turning people's own fears and greed into weapons, has more attacks planned. She and her team must race against the clock to find where he will strike next before more innocents die.

A classic thriller from New York Times bestselling author Jeffery Deaver featuring the intricate forensic detail, masterful plot twists, and harrowing breakneck pace that made *A Maiden's Grave*, *The Bone Collector*, and *The Coffin Dancer* national bestsellers. It's New Year 's Eve, December 31, 1999, and Washington, DC, is under siege. Early in the day, a grisly machine gun attack in the Dupont Circle Metro station leaves dozens dead and the city crippled with fear. A note delivered to the mayor 's office pins the massacre on the Digger, a robotlike assassin programmed to wreak havoc on the capital every four hours—until midnight. Only a ransom of \$20 million delivered to the Digger 's accomplice—and mastermind—will end the death and terror. But the Digger becomes a far more sinister threat when his accomplice is killed in a freak accident while en route to the money drop. With the ransom note as the single scrap of evidence, Special Agent Margaret Lukas calls upon Parker Kincaid, a retired FBI agent and the top forensic document examiner in the country. Somehow, by midnight, they must find the Digger—before he finds them.

A vicious killer escapes from a California super-prison and embarks on a mysterious and deadly quest. It's up to Kathryn Dance and her CBI partners to track him down before he can get to the lone survivor of the murders he had committed. Now in a tall Premium Edition.

Jeffery Deaver has famously thrilled and chilled fans with tales of masterful villains and the brilliant minds who bring them to justice. Now the author of the Lincoln Rhyme series (*The Cold Moon* and *The Bone Collector*) returns with a second volume of his award-winning, spine-tingling short stories of suspense. While best known for his twenty-four novels, Jeffery Deaver is also a short story master—he is a three-time recipient of the Ellery Queen Reader's Award for Best Short Story, and he won the Short Story Dagger from the Crime Writers Association for a piece that appeared in his first short story collection, *Twisted*. The *New York Times* said of that book: “A mystery hit for those who like their intrigue short and sweet...[The stories] feature tight, bare-bones plotting and the sneaky tricks that Mr. Deaver's title promises.” The sneaky tricks are here in spades, and Deaver even gives his fans a new Lincoln Rhyme and Amelia Sachs story. Deaver is back with sixteen stories in the tradition of O. Henry and Edgar Allan Poe. His subjects range from a Westchester commuter to a brilliant Victorian England caper. With these intricately plotted, bone-chilling stories, Jeffery Deaver is at the top of his crime-writing game.

Behind the well-known U.S. security organizations—the FBI and CIA among them—lies a heavily guarded, anonymous government agency dedicated to intelligence surveillance and to a highly specialized brand of citizen protection. Shock waves of alarm ripple through the clandestine agency when Washington, D.C., police detective Ryan Kessler inexplicably becomes the target of Henry Loving, a seasoned, ruthless “lifter” hired to obtain information using whatever means necessary. While Loving is deft at torture, his

Read Free The Blue Nowhere Jeffery Deaver

expertise lies in getting an “ edge ” on his victim—leverage—usually by kidnapping or threatening family until the “ primary ” caves under pressure. The job of keeping the Kessler family alive falls to a man named Corte, a senior federal protection officer known as a “ shepherd. ” Uncompromising, relentlessly devoted to protecting those in his care and a passionate board game aficionado, he applies brilliant gaming strategy to his work. For Corte, the reappearance of Loving—the man who, six years earlier, had tortured and killed someone close to him—is also an opportunity to avenge his friend ’ s death. The assignment soon escalates into a fast-paced duel between Corte and Loving, a dangerous volley of wits and calculated risks. As he shepherds the Kesslers to a concealed safe house, Corte must anticipate Loving ’ s every step as the lifter moves in on his prey, and with the help of razor-sharp investigator Claire DuBois and his longtime ally, FBI agent Paul Fredericks, pinpoint which of Kessler ’ s seemingly insignificant cases has triggered Loving ’ s return. As the team digs deeper, each of the Kesslers comes under close scrutiny, and in captivity their family bonds are stretched to the breaking point—as the lifter draws near, Corte must ultimately choose between protecting his charges and exposing them to a killer in the name of long-awaited revenge.

Chasing down a vicious serial killer who complicates his crimes by leaving behind iron-clan evidence implicating innocent people, Lincoln Rhyme and Amelia Sachs reluctantly team up for the investigation only to find themselves rendered the killer's next targets. By the author of *The Cold Moon*. 300,000 first printing.

The page-turning New York Times bestseller from Jeffery Deaver's “ simply outstanding ” (San Jose Mercury News) Lincoln Rhyme series! The FBI has recruited forensics expert Lincoln Rhyme and

his protégé, Amelia Sachs, to capture “ the Ghost, ” a homicidal immigrant smuggler. But when they corner him aboard a cargo ship, the bust goes disastrously wrong and the Ghost escapes. Now the killer must eliminate two families who witnessed his flight before they jumped ship and vanished. . . . Searching New York City's Chinatown, can Rhyme and Sachs find the Ghost's targets before he does?

From the bestselling author of the Bone Collector novels, soon to be an NBC series Twenty-one-year-old Rune is an aspiring filmmaker, but so far her only break has been scoring a job as an underpaid production assistant in Manhattan. Still, she's always on the lookout for the perfect topic for her own film—and she thinks she's found it when she witnesses the bombing of a triple-X movie theater in Times Square. Rune's got a great hook for her documentary: She plans to film it through the eyes of Shelly Lowe, the porn star whose movie was playing at the theater when it exploded. But just hours after Rune films a poignant Shelly reflecting on her dreams of becoming a serious actress, a second bomb silences the beautiful film star forever. Was Shelly in the wrong place at the wrong time—or was she the bomber's target all along? Rune vows to find out the truth behind the death of this blue movie star. But as she struggles to finish shooting her film, Rune's labor of love may be her final masterpiece—as a shooting of a more lethal kind threatens to write an ending to this story that no one wants to see. . . .
