A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

The Complete Infidel's Guide to the Koran exposes how the Koran incites hatred and violence and is anti-democratic, anti-freedom, and intolerant of any other ideology. Stripping out the obsolete debate, The Complete Infidel's Guide to the Koran focuses on the decrees toward Jews and Christians, how they were viewed by Muhammad, what "the infidels" have done wrong and what the Koran has in store for them. The Complete Infidel's Guide to the Koran is the essential primer to comprehending one of the most cryptic and misunderstood religious texts. Robert Spencer sheds light on the violence inherent in the Koran and reveals the frightening implications for the War on Terror, the U.S. and the world. In The Complete Infidel's Guide to the Koran you will learn: The true meaning of celebrated and seemingly benign verses, such as "Strive in the way of Allah" and "Persecution is worse than slaughter" How the Koran sanctions domestic abuse, honor killing, and murder How the Koran not only discourages Infidels from reading it, but mandates that they don't even touch it Why Obama, Clinton, and others are dangerously close to supporting a multiculturalism based on an ideology that aims to destroy the principles America holds dear

Our Most Dangerous Enemy Think it's ISIS? Think again. Iran is the terrorist powerhouse of the world—made all the more dangerous by the disastrous "nuclear deal" that restricts Iran's nuclear ambitions hardly at all. The Iranian government is an open enemy of the United States—and of anyone who dissents from Shia Islam. Iran confronts U.S. Navy ships in the Persian Gulf "on a near daily basis." It executes more of its citizens than any other nation. It is a country torn by hypocrisy—lectured by mullahs, and with brutally enforced Islamic religious laws, but rife with alcoholism. Once America's ally, Iran now claims leadership of the global jihad, and the ayatollahs' aim is nothing less than world conquest for Islam. In his extraordinary new book, *The Complete Infidel's Guide to Iran*, New York Times bestselling author Robert Spencer reveals: How the Iranian "nuclear deal" is sheer capitulation to the mullahs, allowing Iran to inspect its own facilities and pursue nuclear weapons Iran's long-standing support for terrorists—including shocking evidence that Iran helped plan the 9/11 attacks Why Iran wants nuclear weapons—clue: it's not about deterrence American diplomatic folly—why the Obama administration has grossly underestimated the Iranian threat A new grand strategy: how Iran's Shi'ite terrorism might be contained and its threat to the United States reduced The Islamic Republic is already at war with America. If we refuse to recognize that fact, we are only falling prey to the mullahs' campaign of duplicity. The Complete Infidel's Guide to Iran exposes the true nature of the threat, lays out what America must do to defeat it, and gives you all the information you need about America's least understood yet potentially most lethal foe.

Presents a critical analysis of the differences between Christianity and Islam and maintains that Islam contains a political agenda which endorses violence and aggression against non-Muslims.

From Robert Spencer, the New York Times bestselling author of *The Politically Incorrect Guide to Islam and The Complete Infidel's Guide to ISIS*, comes a bold defense of freedom of speech—the single most valuable freedom humanity has, a freedom now endangered world-wide.

In "Islam Unveiled," Robert Spencer dares to face the hard questions about what the Islamic religion actually teaches—and the potentially ominous implications of those teachings for the future of both the Muslim world and the West. Going beyond the shallow distinction between a "true" peaceful Islam and the "hijacked" Islam of terrorist groups, Spencer probes the Koran and Islamic traditions (as well as the history and present-day situation of the Muslim world) as part of his inquiry into why the world's fastest growing faith tends to arouse fanaticism. "Islam Unveiled" evaluates the relationship between Islamic fundamentalism and "mainstream" Islam; the fixation with violence and jihad; the reasons for Muslims' disturbing treatment of women; and devastating effects of Muslim polygamy and Islamic divorce laws. Spencer explores other daunting questions—why the human rights record of Islamic countries is so unrelievedly grim and how the root causes of this record exist in basic Islamic beliefs; why science and high culture died out in the Muslim world—and why this is a root cause of modern Muslim resentment. He evaluates what Muslims learn from the life of Muhammad, the man that Islam hails as the supreme model of human behavior. Above all, this provocative work grapples with the question that most preoccupies us today: can Islam create successful secularized societies that will coexist peacefully with the West's multicultural mosaic?

The author of *The Caged Virgin* recounts the story of her life, from her traditional Muslim childhood in Somalia and escape from a forced marriage to her efforts to promote women's rights while surviving numerous threats to her safety. Reprint. 100,000 first printing.

Wars aren't always violent. Stealth Jihad exposes the silent, insidious, secret war jihadists are waging on our nation. A war fought not by violence, but by culture, is perhaps the most dangerous war of all.

It is taken for granted, even among many Washington policymakers, that Islam is a fundamentally peaceful religion and that Islamic jihad terrorism is something relatively new, a product of the economic and political ferment of the twentieth century. But in *The History of Jihad: From Muhammad to ISIS*, Islamic scholar Robert Spencer proves definitively that Islamic terror is as old as Islam itself, as old as Muhammad, the prophet of Islam, who said "I have been made victorious through terror." Spencer briskly traces the 1,400-year war of Islamic jihadis against the rest of the world, detailing the jihad against Europe, including the 700-year struggle to conquer Constantinople; the jihad in Spain, where non-Muslims fought for another 700 years to get the jihadis invaders out of the country; and the jihad against India, where Muslim warriors and conquerors wrought unparalleled and unfathomable devastation in the name of their religion. Told in great part in the words of contemporary chroniclers themselves, both Muslim and non-Muslim, *The History of Jihad* shows that jihad warfare has been a constant of Islam from its very beginnings, and present-day jihad terrorism proceeds along exactly the same ideological and theological foundations as did the great Islamic warrior states and jihad commanders of the past. *The History of Jihad: From Muhammad to ISIS* is the first one-volume history of jihad in the English language, and the first book to tell the whole truth about Islam's bloody history in an age when Islamic jihadis are more assertive in Western countries than they have been for centuries. This book is indispensable to understanding the geopolitical situation of the twenty-first century, and ultimately to formulating strategies to reform Islam and defeat radical terror.

In "Onward Muslim Soldiers," the author of "Islam Unveiled" reveals why the threat of violent jihad is growing daily, despite America's recent victory in Iraq. Spencer uncovers the cause of global violence as he goes straight to Muslim sources
