Young Samurai is a series of martial arts/action-adventure stories written by Chris Bradford, set in 17th century Japan, following the exploits of an English boy, Jack Fletcher, as he strives to be the first gaijin samurai.. Introduced by Puffin Books as their "All New Action Hero", Young Samurai has been described as a black-belt Young Bond, Artemis Fowl with swords or Percy Jackson with ninja.

Young Samurai: The Ring of Water is the fifth book in this blockbuster series by Chris Bradford Jack Fletcher has been left for dead. Bruised and battered, Jack Fletcher wakes up in a roadside inn wrapped only in a dirty kimono. He has lost everything, including his memory of what happened. Determined to discover the truth, Jack goes on a quest to retrieve his belongings - his precious swords, his friend Akiko's black pearl and most important of all, his father's prize possession. Relying on his samurai and ninja training, Jack realises The Ring of Water is the key to his survival. But with only a washed up Ronin - a masterless samurai - for help, what will Jack manage to find? What will he lose? And what will he have to sacrifice? NEW EDITION!!Well... it seems that these animals don't want to take their medicine! But step by step, each one discovers that taking medicine is very important for the animals, as well as for the children!A funny way to learn and a funny way to teach. As everyone knows how difficult it can be to explain to young children how important it is to take medicine...---THE BOOK OF THE ANIMALS:FUN LEARNING FOR CHILDREN AND PARENTSWhat are certainly the most occurring moments in a parent's life? When their child doesn't want to wash, eat, sleep, go to school, share, take medicine, get vaccinated... And what can a parent answer to these refusals?The successful "Book of The Animals" bilingual children's books series was created with the aim to help both parents and children to discover the benefits of washing, eating, sleeping, going to school, sharing, taking medicine, getting vaccinated... in a fun as well as educational manner. Since the books are also bilingual, parents will enjoy the teaching and the interactivity they can gain from reading them with their children.THE AUDIENCEThe books are geared towards children aged 2-5, before elementary/primary school.They will likely be bilingual children whose parents want to encourage the learning of their two current languages.They will also be children whose parents want to teach a language at a young age.Some teachers have also been using the books of the series as a way to teach a second language to children, with themes easy for them to both understand and memorise.THE CURRENT BOOKSThere are currently seven books in the series.Each episode brings on new animals, new words, new situations and new stories.- Ep.1. "These Animals... Don't Want to Wash!" (2008)- Ep.2. "These Animals... Don't Want to Eat!" (2009)- Ep.3. "These Animals...

Don't Want to Sleep!" (2010)- Ep.4. "These Animals... Don't Want to Go to School!" (2011)- Ep.5. "These Animals... Don't Want to Share!" (2011)- Ep.6. "These Animals... Don't Want to Take their Medicine!" (2012)- Ep.7. "These Animals... Don't Want to Get Vaccinated!" (2012)The books are all available in either bilingual or monolingual versions:- Bilingual versions: English-French, English-Portuguese, English-Italian, English-Spanish, English-Swedish, English-Creole, English-Japanese...More versions still to come!Check out the official website: www.TheBookOfTheAnimals.comREVIEW"The Book of the Animals is a planned series of illustrated books for young children. [...] These delightful books tell the story of what happens when the animals in the stories, like many young children, don't want to eat and don't want to wash...The books are very suitable both for reading to young children and for older children to use to learn to read in both languages. They might even persuade them to wash and eat their dinner!The repetitive structure is supportive of children learning new words and the illustrations work well alongside the text to help understanding of unfamiliar words.I can easily imagine young children demanding repeat readings and enjoying learning the text by heart as many children do with favourite stories. Children learning to make up and write their own stories might well want to write a personalised version, using the structure as a prop.I think the stories would work well both in the home and in the classroom."(Review published in The Cass School of Education, by Dr Raymonde Sneddon, Research Fellow for "The Cass School of Education" at the University of East London, and Honorary Research Fellow of Birkbeck College, in the Department of Applied Linguistics)SUPPORT'The Book of The Animals' series is supported & recommended by ABRIR UK, a Brazilian Association for Educational Projects in the United Kingdom. www.Abrir.org.ukOfficial website:

The Citadel It stands unconquered, the last great summit of the Alps. Only one man has ever dared to approach the top, and that man died in his pursuit. He was Josef Matt, Rudi Matt's father. At sixteen, Rudi is determined to pay tribute to the man he never knew, and complete the quest that claimed his father's life. And so, taking his father's red shirt as a flag, he heads off to face the earth's most challenging peak. But before Rudi can reach the top, he must pass through the forbidden Fortress, the gaping chasm in the high reaches of the Citadel where his father met his end. Rudi has followed Josef's footsteps as far as they will take him. Now he must search deep within himself to find the strength for the final ascent to the summit -- to plant his banner in the sky. His father died while trying to climb Switzerland's greatest mountain -- the Citadel -- and young Rudi knows he must make the assault himself.

Ambushed by the Shogun's samurai, Jack and his friends have only one hope of escape -- the Seto Sea. Unless Jack can harness the Ring of Wind, he and his friends are destined for a watery grave--Résumé de l'éditeur.

After being shipwrecked in Japan, adopted, and taught the Way of the Warrior at samurai school, Jack is ready to embark on the next chapter of his training: the Way of the Sword. His lessons involve fighting blindfolded, using a b-o staff, and finding messages in origami—all while withstanding the constant pressure of being a foreigner. The stakes are raised even higher when the school holds a contest. The winners will learn the great samurai Masamoto-sama's

secret martial arts technique.

A smart, funny take on the Charles Dickens classic BLEAK HOUSE—for anyone who's ever held on to a dream just a little too long. New York writer Ricki Carstone knows the odds of Hollywood actually turning her debut novel, Jarndyce and Jarndyce, into a movie are slim. But Moxie Bernard, the most famous teen on the planet, has signed on to star in the option. Plus, the producer is throwing her a super fabulous party in Hollywood (with Moxie!) to celebrate the relaunch of her book with a younger, sexier cover. Maybe it will happen after all. Quitting her dead-end paralegal job to move out to Los Angeles and keep an eye on the project, Ricki meets a handsome out-of-work actor who encourages her to try her hand at screenwriting, and an experienced screenwriter who is willing to help her for a fee, which only starts out small. And then there's her cute neighbor Simon, who thinks her new friends are just taking advantage of her. Will Ricki ever see her name in lights and make it big in Hollywood?
