By day, the Duncans are an upstanding family who run a thriving car dealership in Queens. By night, they live a dangerous secret life! Carl Weber and Eric Pete deliver a thrilling underworld drama in The Family Business. L.C. Duncan, patriarch of the family, is at the age when he ' s starting to think about retirement in sunny Florida. But the recession is taking a bite out of the business and, worrying more, he has to decide which of his children should take over. When his workaholic son Orlando gets the nod, Orlando ' s siblings— including the favorite son Vegas, conniving daughter London, glamorous party girl Paris and flamboyant nightclub owner Rio —are up in arms. But so are the Zunigas, a rival family whose fragile business alliance with the Duncans may explode at any moment. When Vegas suddenly breaks away from the family, London ' s lawyer husband, Harris, makes a play for the company and all hell breaks loose. Selling cars, it turns out, is only a small part of the Duncans' family business. Each member of the family has a secret expertise to reveal. And now, under siege from the Mafia, Mexican drug cartels and the Zunigas, the Duncans will have to stick together —or die separately!

In his typical jaw-dropping fashion, Carl Weber returns with part two of his New York Times bestselling Family Business series. He's brought along a friend in bestselling author T. Treasure Hernandez, and together they've added more drama and new family members to the mix. Welcome to the world of Duncans. By day they are upstanding citizens running one of New York's most respected car dealerships; but by night, they're criminals who control most of the East Coast drug traffic. No matter whether they're on their day or night jobs, one thing is true about the Duncans: there is never a dull moment to be found. Baby momma drama takes over the Duncan clan, as there is still uncertainty about who has fathered the Duncan sisters' new babies. Meanwhile, Orlando Duncan, the family's new CEO and a man with his own baby momma problems, has just developed a new product that may make the millionaire Duncans into billionaires. Orlando only has one obstacle in front of him, and it's not law enforcement or one of his family's many rivals. It's his mother, and she may be his most formidable opponent to date, because she's making the family take sides. Can a civil war within the Duncan family be averted before it tears them apart?

Agreeing to surrender the family business to his younger brother after a long stint in prison, Vegas Duncan battles his disapproving mother and a mysterious rival who attacks Vegas' older brother.

Rio Duncan is one of the youngest children of the Duncan clan. With no solid position in the family business like his other siblings, he has been feeling out of place and decides to disappear. Rio leaves his Duncan identity behind and goes on a search for friends and family who can relate to him. His destination is Baltimore, and he is sure to find what he is looking for in the city with a community like no other. There, he also finds unexpected trouble. Corey Grant is making a name for himself in Baltimore with an inherited drug empire and a complicated relationship with his right-hand man. With plenty on his plate, Corey has almost no time for the romance he wants with Dre, and he feels like they are growing apart. That brings about a jealousy and insecurity that he doesn ' t know how to control. Diana Black is Corey ' s girlfriend-for-hire, and she has a taste for bad boys. She is loyal to Corey ' s cause, but how long will that last? Rio ' s personality and flair instantly gains him entrance into Corey ' s circle. Rio says he ' s looking for friends, but Corey is sure that other motives are on the table. When Rio has a change of heart about his newfound crew, he needs an escape plan. There is one problem: his family doesn ' t know where he is. Did he inherit any of the ruthless traits he observed in his father and brothers? Can the most colorful Duncan son get out of Baltimore and back home safe and sound now that he ' s on his own?
