section of the book, written by lawyer Pedro García Hierro, concerns the background of the project, describing the conditions of slavery to which the indigenous peoples of Ucayali were subjected. In the second article Danish anthropologist Søren Hvalkof covers the history of the Atalya and Gran Pajonal region based on his personal experience. Anthropologist Andrew Gray has written the third part, wherein he describes the implementation of the project"--Publisher.

Breastfeeding is a biocultural phenomenon: not only is it a biological process, but it is also a culturally determined behavior. As such, it has important implications for understanding the past, present, and future condition of our species. In general, scholars have emphasized either the biological or the cultural aspects of breastfeeding, but not both. As biological anthropologists the editors of this volume feel that an

evolutionary approach combining both aspects is essential. One of the goals of their book is to incorporate data from diverse fields to present a more holistic view of breastfeeding, through the inclusion of research from a number of different disciplines, including biological and social/cultural anthropology, nutrition, and medicine. The resulting book, presenting the complexity of the issues surrounding very basic decisions about infant nutrition, will fill a void in the existing literature on breastfeeding.

series, respected New Testament scholar Jeffrey Weima offers pastors, students, and teachers the most up-to-date and substantive commentary available on 1-2 Thessalonians. Weima, a Thessalonians expert, experienced teacher, and widely traveled speaker, presents well-informed evangelical scholarship at an accessible level to help readers understand the sociological, historical, and theological aspects of these letters. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text, extensive research, thoughtful chapter-by-chapter exegesis, and a user-friendly design. It admirably achieves the dual aims of the series--academic sophistication with
