Standing atop the wall of California, Michael Checchio decided to

head out for Saline and Death Valley, the canyonlands of Arizona and Utah and the uplands of New Mexico. He would re-visit old haunts and explore new ones-and in so doing rediscover a world he thought he already knew. In *Sundown Legends*, Checchio offers up the American Southwest as a spiritual repository and source of inspiration. On his travels he talked to individuals whose imaginations have been shaped by the power of this desert landscape, including Ken Sleight, the Utah wilderness outfitter, who was the inspiration for a character in *THE MONKEY WRENCH GANG* and novelist John Nichols, author of the *MILAGRO BEANFIELD WAR*, who wandered into Taos in the late sixties and found a place to make his stand. Like Michael Wallis, Michael Checchio is a powerfully gifted writer who has created an intimate and lasting portrait of one of our last remaining wild places.

A "dark and funny debut" (*Seattle-Times*) about a young police officer struggling to maintain a sense of reality in a town where the dead outnumber the living. Colma, California, the "cemetery city" serving San Francisco, is the resting place of the likes of Joe DiMaggio, Wyatt Earp, and William Randolph Hearst. It is also the home of Michael Mercer, a by-the-book rookie cop struggling to settle comfortably into adult life. Instead, he becomes obsessed with the mysterious fate of his predecessor, Sergeant Wes Featherstone, who spent his last years policing the dead as well as the living. As Mercer attempts to navigate the drama of his own daily life, his own grip on reality starts to slip-either that, or Colma's more famous residents are not resting in peace as they should be.

This book is a compilation of extracts from the works of Swedish philosopher and mystic Emanuel Swedenborg. They are arranged in such a way as to give a general overview and introduction to his religious philosophy.

The winningest coach in NCAA history shares his lessons on building and coaching teams of champions. For 202 consecutive dual matches over the past eleven years, the Trinity men's squash team has gone unbeaten. No other team in any collegiate sport has achieved the same sustained level of greatness. *Run to the Roar* is the story of a coach who succeeds in recruiting young men from around the world, getting them to work as a team, managing personalities, calming egos, and encouraging daily effort and focus under pressure. The book's framework is the finals of the 2009 national intercollegiate team championships. As Trinity scrapes out a 5-4 victory over Princeton, Assaiante imparts the insights and experiences that have made him a master coach. In stark contrast to his Trinity dynasty, Assaiante also openly discusses the deep emotional turmoil he faces as the parent of a heroin addict. *Run to the Roar* is not just a book about squash; it is an invaluable and unique reflection on mentoring, leadership, and parenting from one of the most innovative and successful coaches in collegiate athletics.

As learning moves into a more innovative and technologically savvy environment, it becomes increasingly important that library education continues to adapt and understand the resources that are available. *Advancing Library Education: Technological Innovation and Instructional Design* aims to provide relevant theoretical frameworks, empirical research, and new understandings for those interested in Library and Information Science and the impact new techniques and technologies are having in this area. Librarians, academics, and researchers will benefit from this careful look into current advancements in their field.

Three novellas by the author of *Legends of the Fall*. “ A brilliant tour de force . . . Jim Harrison at his peak: comic, erotic, and insightful ” (San Francisco Chronicle). Across the odd contours of the American landscape, people are searching for the things that aren ’ t irretrievably lost, for the incandescent beneath the ordinary. An ex-Bible student with raucously asocial tendencies rescues the preserved body of an Indian chief from the frigid depths of Lake Superior in a caper that nets a wildly unexpected bounty. A band of sixties radicals, now approaching middle age, reunite to free an old comrade from a Mexican jail. A fifty-year-old suburban housewife flees quietly from her abusive businessman husband at a highway rest stop, climbs a fence, and explores the bittersweet pageant of the preceding years within the sanctuary of an Iowa cornfield. *The Woman Lit by Fireflies* is the work of a classic writer at the very top of his form—a hard-living, hard-writing hero of American letters whose novellas comprise a sweeping tribute to the nation ’ s heartland and the colorful, courageous characters who inhabit it. “ Funny, wild, sexy, and bizarre . . . Along with Richard Ford . . . Harrison has cornered the market in the tough-but-tender style that characterized Hemingway ’ s early work. ” —Nick Hornby
