BONUS: This edition contains an excerpt from Nikki Turner's Heartbreak of a Hustler's Wife. The high priestess of the hood, Nikki Turner, is back with the novel fans have been feenin' for: the sequel to her #1 bestselling novel, A Hustler's Wife. Des, Virginia's slickest gangsta, is about to become a dad when he is charged with the murder of his own attorney. But with Yarni, his gorgeous wife (and a brilliant lawyer), now calling the shots, Des isn't going back to the slammer without a fierce fight. Even with the heat on, Des manages to take his game to the next level and finds a new hustle, one that will allow him to possess the three things all major players desire: money, power, and respect. He becomes a preacher. Reluctantly, Yarni stands by her man as he trades in his triple beam scale for a Bible and a Bentley and makes his Church of the Good Life Ministry a welcoming place for all sinners to step up to the altar. But when Des's nephew is killed in the high-stakes heroin trade and Des learns that someone close to him okayed the hit, the dyed-in-the-wool gangsta sets aside the Bible for the gospel of the streets—even if it means risking the one person who's always had his back.

With only two hundred dollars, Unique packed her suitcase and headed to New York City for a brand new start. It's there that Unique meets big time boxing promoter, Kennard and it is love at first sight. However, after nine months of living in the lap of luxury with Kennard, skeletons from Unique's past show up and it will cost her a cool million dollars to not only keep her relationship but her life. But Unique isn't about to lose it all. With the help of her best friend, she devises a major heist and to pull it off all she has to do it stay alive.

Deeply wounded by the betrayal of her fiance, Bambi Ferguson vows never to risk love again and to only look for men who can benefit her financially, a promise that is undermined when she falls in love with Lynx, a young drug dealer. Reprint.

“An outstanding debut...If you're a fan of Jack Reacher or Lisbeth Salander, you are gonna love Nikki Griffin.” —New York Times bestselling author Douglas Preston “Action packed and razor sharp - Jack Reacher would love Nikki Griffin.” —Lee Child, #1 New York Times bestselling author of Past Tense Nikki Griffin isn't your typical private investigator. In her office above her bookstore's shelves and stacks, where she luxuriates in books and the comfort they provide, she also tracks certain men. Dangerous men. Men who have hurt the women they claim to love. And Nikki likes to teach those men a lesson, to teach them what it feels like to be hurt and helpless, so she can be sure that their victims are safe from them forever. When a regular PI job tailing Karen, a tech company's disgruntled employee who might be selling secrets, turns ugly and Karen's life is threatened, Nikki has to break cover and intervene. Karen tells Nikki that there are people after her. Dangerous men. She says she'll tell Nikki what's really going on. But then something goes wrong, and suddenly Nikki is no longer just solving a case—she's trying hard to stay alive. Part Lisbeth Salander, part Jack Reacher, part Jessica Jones, Nikki Griffin is a kickass character who readers will root for as she seeks to right the world's wrongs. S.A. Lelchuk's Save Me From Dangerous Men marks the beginning of a gripping new series and the launch of a fabulous new character.

PI Nikki Griffin — a badass bookseller who punishes abusers — is back in S. A. Lelchuk's One Got Away... Nikki Griffin, a private-investigator when she isn't running her small bookstore, is on a case. The matriarch of one of the wealthiest San Francisco families has been defrauded by a con-man, and her furious son enlists Nikki to find the money. And find the con-man. Nikki isn't a fan of men who hurt women. Her secret mission, born of revenge and trauma, is to do everything she can to remove women from dangerous situations—and to punish the men responsible. As Nikki follows the trail toward the con-man, she realizes that no one involved is telling her the whole truth. When the case overlaps with her attempt to protect a woman in trouble, and Nikki's own life is put in danger, Nikki has to make terrible choices about who to save—and how to keep herself alive.
